

Spartan Medical, Inc.

Integrity, Service, Dedication, & Excellence

Capabilities

Spartan Medical, Inc. is a veteran-owned-and-operated government contractor for the U.S. Department of Veterans Affairs (VA), the U.S. Department of Defense (DoD), and other local, state, and federal agencies. Our senior executives have all held leadership positions in the public and private sector, and our core strength is solving complex problems through creative thinking, innovative solutions, and highly skilled flexible teams.

Mission

Spartan Medical's mission is to improve patient care and outcomes by providing the most advanced medical technologies and solutions while remaining committed to our core values of integrity, service, dedication and excellence. Founded with purpose, driven to serve others, and instilled with a military pursuit of excellence, Spartan Medical always gets the job done. We see the most difficult problems facing veterans and active-duty military as an opportunity to demonstrate our value and commitment...no matter the challenges or obstacles. When there is a need for A-to-Z programs, processes, and advanced medical solutions on contract, THINK SPARTAN®.

Performance

Spartan Medical® is recognized as a "top priority vendor" in the VA as an SDVOSB, has been awarded a multi-year, Indefinite Delivery Indefinite Quantity (IDIQ) contract in support of the Veterans Affairs (VA) Surgical Implants Next Generation (SING) Initiative. In addition, Spartan Medical® has been awarded the Defense Logistics Agency (DLA) Troop Support's Distribution and Pricing Agreement (DAPA) for the Department of Defense (DoD) and in coordination with the Medical/Surgical Prime Vendor (MSPV) Program. With 17+ years of flawless performance, Spartan Medical has executed 700+ federal government contracts servicing hundreds of VA Medical Centers, Community Based Outpatient Clinics, and Military Treatment Facilities (MTFs) worldwide.
