

# NATROX® O<sub>2</sub>

## Continuous Topical Oxygen Therapy

**SPARTAN**  
MEDICAL

Serving Active Military by  
Improving Wound Healing

### Serving active military by improving wound healing

#### 24/7 OXYGEN THERAPY

Delivered directly to the wound bed stimulating healing in a previously non-healing wound.<sup>2,3</sup>

#### PAIN REDUCTION

Most patients report a reduction in wound pain and reduced impact on their life style.<sup>4</sup>

#### UNRESTRICTED MOBILITY

Wearable, battery-powered device, giving the patient complete freedom.

#### SIMPLE DESIGN

No on/off switch, device activated when the battery is inserted. Ideal for use in the home care setting.<sup>5</sup>

#### UNOBTRUSIVE

Small, lightweight and completely silent, minimizing sleep disturbance.

NATROX® O<sub>2</sub> helps address the devastating impact of chronic wounds by:

#### ENCOURAGING COMPLIANCE<sup>1</sup>

A management option that reduces the impact on patient lifestyle will improve compliance

#### ENDORsing INVOLVEMENT<sup>1</sup>

Encourages patient participation in their own wound care

#### PROMOTES EMPOWERMENT<sup>1</sup>

NATROX® O<sub>2</sub> can reduce wound symptoms and increase patient well-being
