Spartan Medical Premier Manufacturer List

Spartan Medical® is recognized as a “top priority vendor” in the VA as a verified, VIP-Listed Service-Disabled Veteran-Owned Small Business (SDVOSB) that has been awarded a multi-year, Indefinite Delivery Indefinite Quantity (IDIQ) contract in support of the Veterans Affairs (VA) Surgical Implants Next Generation (SING) Initiative. In addition, Spartan Medical® has been awarded the Defense Logistics Agency (DLA) Troop Support’s Distribution and Pricing Agreement (DAPA) for the Department of Defense (DoD) and in coordination with the Medical/Surgical Prime Vendor (MSPV) Program. There are nearly **1000 Line-Items from over 55 manufacturers available on contract** - all of which are themselves small businesses making Spartan's offering [entirely compliant with the Nonmanufacturer Rule](#). Below is a short list of our “premier” medical device, biologic, wound care, regenerative medicine, and tissue bank manufacturers with hyperlinks to each website’s product page.

Our team of Client Advocates are standing by as a liaison between Spartan Medical and VA Medical Centers (VAMCs)/DoD Military Treatment Facilities (MTFs) to help address the clinical needs of providers and patients. Client Advocates can support each facility by conducting market research, providing education (studies, CEU opportunities, technique guides, etc.), cross-referencing items to identify like-for-like equivalents available on contract ... and much more. If your facility has any questions, please contact us via email at cs@spartanmedical.com or on our main line at 888-240-8091. **NOTE: We accept both EDI Orders and Government Purchasing Cards (GPC).**
