

NYES Protect

Face Shield

SPARTAN[®]
M E D I C A L

NYES Protect (New York Embroidery Studio, Inc.) manufactures high-quality Personal Protective Equipment (PPE) in the United States, supporting Veterans Affairs (VA) and Department of War (DoW) healthcare facilities. NYES manufacturing facility is located in the Brooklyn Army Terminal in New York, and is designed for scalable production, fast turnaround times, and rigorous quality standards - **ISO 13485 Certified and FDA Registered**. Buying Made in America PPE and Apparel helps the VA and DoW medical centers strengthen supply chain resilience, improve responsiveness, and maintain confidence in consistency and quality. NYES is a member of the American Medical Manufacturing Association (AMMA), and **NYES PPE are AMMA-certified**, in compliance with the recent Executive Order – [Ensuring Truthful Advertising of Products Claiming to be Made in America](#). Spartan Medical is an SBA-certified, Service-Disabled Veteran-Owned Small Business (SDVOSB) and an authorized Federal Government Supplier for NYES.
