

Activity: Celebration Flag

Mimi Herbert left half of the work *Celebration Flag* blank, suggesting an opportunity for viewers to add their own ideas to complete the flag. Flags are used to identify a place using colors and symbols—The United States flag uses 50 stars for the 50 states, 13 stripes for the 13 original colonies, blue for justice, red for valor and bravery, and white for purity and innocence. Use the blank space provided to share how you would complete Mimi's flag.
