

Registration

The Member Portal gives you secure, on-demand access to your account at any time. It uses a *magic link* login — a time-limited, secure link sent to your registered email. Once registered, simply click the link in your email to log in — no password required.

The screenshot shows the Ellement Member Portal registration page. It includes the Ellement logo, the title 'Member Portal', and a 'Registration' section. A note states: 'All fields are required. Please ensure your information matches our records to complete your registration.' The form fields are: 'Your Email Address' (pre-filled with 'youremailaddress@sample.com'), 'Last Name' (text input with 'Smith'), 'Date of Birth' (text input with 'yyyy-mm-dd' and a note 'Please use a YYYY-MM-DD format.'), and 'Enter the last three digits of your SIN' (text input with '987'). There are two checkboxes for terms and conditions: 'By registering, I confirm that I have read, understood, and agree to the [Consent, Terms and Conditions](#), and [Privacy Policy](#) applicable to the use of the Member Portal. (This is required to register)' and 'I consent to receive occasional promotional communications, including newsletters, offers, and updates about products and services. I may withdraw my consent at any time without affecting my access to the Member Portal. (Optional)'. At the bottom, there is a reCAPTCHA widget with the text 'I'm not a robot' and a 'Complete Registration' button.
