CAREER OPPORTUNITY

Job title Maintenance & Light Service Technician (HVAC-R)
Start date As soon as possible

We are looking for a Maintenance & Light Service Technician (HVAC-R) who is a hard working individual. The ideal candidate will have a strong technical background, and excellent problem-solving skills.

Attention to detail, communication and a positive attitude will contribute to the overall success of this role!

Essential Responsibilities

- Perform regular maintenance & deep cleaning tasks on heat pump and ventilation equipment - such as checking refrigerant levels, cleaning coils, and testing system performance
- Diagnose and troubleshoot light mechanical and electrical failures
- Complete detailed service records accurately and on time
- Communicate effectively with customers and administrative staff
- Can handle medium to heavy equipment up to 60 pounds
- Ensure compliance with local and national refrigeration codes
- Follow safety procedures and protocols
- Report to Service Manager
- Participate in weekly Service Department meetings

Requirements

- Valid drivers license
- Clean abstract
- Proven experience as a Refrigeration Technician (1-3 years preferred)
- Registered HVAC-R Apprentice
- Ability to use app based customer service software such as Service Fusion or Service Titan, etc.
- Safety certifications are an asset (First Aid, Fall Arrest, WHMIS, etc)
- Ability to work independently or as a team
- Excellent problem-solving and communication skills
- Understands the importance of customer service
