## CAREER OPPORTUNITY

**Job title** HVAC Refrigeration Technician  
**Start date** As soon as possible

We are looking for Red Seal & Apprentice HVAC Technicians who are hard working individuals. The ideal candidate will have a strong technical background, excellent problem-solving skills, and the ability to work independently or as part of a team.

Attention to detail, communication and a positive attitude will contribute to the overall success of this role!

### Essential Responsibilities

You will play an important role in providing installation and service to our customers' heat pump equipment. HVAC knowledge, attention to detail, communication and a positive attitude will contribute to the overall success of this role.

- Performs maintenance, installation, cleaning, diagnostics, and repairs on heat pump equipment
- Communicates with customers and administrative staff on a day-to-day basis
- Anchor and hook-up HVAC machinery
- Follow safety protocol and comply with safety and occupational standards
- Must be available for on-call rotation for emergency service
- Can handle medium to heavy equipment
- Completes the scope of their job in a timely manner
- Maintains a positive attitude

The nature of this role may be physically demanding and require manual dexterity, bending, crouching, and kneeling.

### Requirements

- Journeyman refrigeration license ( considered an asset )
- Minimum 3rd period apprentice or equivalent experience
- Valid drivers abstract
- Safety certifications are considered an asset ( First Aid, Fall Arrest, WHMIS, etc )
- Positive attitude and eager to grow within the company
- Must be able to pass a criminal background check
