INTERIOR DESIGN

The JETOUR X70 PLUS may sport a striking exterior, but its true essence lies within, where every detail exudes exclusivity and intuition. Inside, you'll discover an opulent cabin experience designed for spontaneous road trips and adventures.

From the high-quality material and advanced technology to the thoughtful design elements, every aspect of the interior is crafted to provide premium comfort.

Black Synthetic leather seats

Armrest with cooling and heating functionality

Electrically adjustable driver seats
6 ways with seat memory

6-Speed DCT

EXTERIOR DESIGN

At first glance, a harmonious dance of curves and angles creates a visual masterpiece that's both striking and efficient.

Meticulous craftsmanship is on full display, highlighted by a commanding grille flanked by two elongated LED headlights, ensuring you're seen and safe.

Adjustable & Automatic Folding

Octagonal Front Grille
