TECH INSIGHTS

CampusCore by 79Consulting: The NetSuite Bundle Built Exclusively for Campus Retail

Modern campus stores demand modern answers. CampusCore delivers.

Core Capabilities:

✅ **Plug-and-Play Integrations** with TradeCentric, Ariba, Jaggaer, and major payment platforms

✅ **Custom Dashboards** for sales, inventory, and procurement - plus Apple Sales and Demand Planning tools

✅ **ADA-Compliant Storefronts** for inclusive, accessible shopping

✅ **Smart Training** with seasonal guides and quick-starts for staff

✅ **Cost-Effective SuiteLite Licensing** that scales for temporary teams and inventory peaks

Plus Performance Accelerators:

✅ **Website Analytics** to track performance and customer behavior

✅ **System Health Checks** to optimize operations and resolve performance issues

✅ **Continuous Refinement** to maximize NetSuite's efficiency and ROI with expert guidance

TALK TO US ABOUT CAMPUSCORE

Trusted by Leading Institutions

We're proud to partner with leading institutions to power their campus stores.

April Spotlight

We were thrilled to present at the **NetSuite ICBA Community of Excellence (NICE)**, diving into the operational hurdles campus stores face - like seasonal staffing, system integrations, and NSPOS limitations. Our tailored NetSuite solutions sparked engaging discussions with the NICE community. **Thank you for the warm reception!**

Webinar Replay: Saved Searches in 45 Minutes

Missed our recent session? Watch the replay to master:

✅ **Dashboard &Alert Creation** For Real-Time Insights.

✅ **Automation Tips** To Save Time

✅ **Advanced Filtering** For Precise Data
