

CARAT

Recognition of Agent's Testing

Certificate No.: CARAT 140551 0001 Rev. 00

QuantPi GmbH

Halbergstraße 4
66121 Saarbrücken
GERMANY

This document proves that the above named laboratory is included in the TÜV SÜD PRODUCT SERVICE Division (TPS) Listing of Recognized Laboratories and is qualified in compliance with the TPS CARAT program for the mutually agreed product categories and/ or standards.

With this certificate TPS confirms that the laboratory has been audited and continues to meet the CARAT program requirements which are based on standards for certification and testing.

Although these requirements include the current revision ISO/IEC 17025 this document is only for use in the TPS CARAT program and does not indicate any certification or accreditation.
