

What to Bring When Visiting Our Design Showroom.

1

Essential Measurements

Have approximate dimensions of your space ready.

2

Snapshots of Your Area

Bring a few photos that capture the layout and lighting.

3

Floor Plan or Sketch

A simple outline helps visualize your project.

4

Project Overview

Know which spaces or features you plan to update.

5

Design Inspiration

Gather examples of styles, materials, or moods you love.

6

Budget Framework

Share a comfortable range to guide your selections.

7

Timeline Goals

Let us know your ideal start and completion dates.

8

Appliance & Fixture Details

Provide sizes or specifications for items being included.

9

Questions & Ideas

Note anything you'd like clarified or explored further.

10

Open Perspective

Arrive ready to discover new possibilities and creative options.
