Behind the Beauty

Stanley Park is here for everyone.

With your help, it always can be.

THE PARK YOU KNOW

A Place for Everyone

Stanley Park is where families gather, children explore, friends walk, and generations create memories together.

Admission and parking are free. Concerts, children's programs, gardens, trails, historic buildings, and peaceful natural spaces are here for the entire community to enjoy.

But Stanley Park is not a municipal park.

It is a private nonprofit organization that does not receive federal, state, or local government funding for its operations. The Park depends on donations, sponsorships, grants, and volunteers.

BEHIND THE BEAUTY

What it Takes to Care for **More Than 300 Acres**

Much of the work that keeps Stanley Park beautiful happens quietly, every day and through every season.

CARING FOR THE LANDSCAPE

Tending gardens, trees, greenhouse plants, trails, ponds, and natural spaces.

PRESERVING THE PARK

Maintaining bridges, pathways, buildings, and historic landmarks.

WELCOMING THE COMMUNITY

Supporting free programs, visitor safety, maintenance, and everyday operations.

Behind every beautiful moment are people who care.

YOUR GIFT AT WORK

Make Your First Gift Today

While admission to Stanley Park is free, caring for it is not.

Your generosity helps preserve our gardens, trails, ponds, historic landmarks, free programs and welcoming spaces for future generations.
