

Parking Tips You'll Need This Season

The most wonderful time of year is also the busiest.
Please consider allocating a little extra time on your visit.

1

The early bird gets the latte (and premier parking)

Get your head in the holidays with a pre-opening grande chestnut praline at Starbucks and a savory brioche from The Baker's Grove. You're parked and strategizing before the rush of the day.

2

Silent night, all is calm (well, calmer)

Our plaza is roomier and our decor twinklier at dusk. So, if you like your sidewalks less busy, come after 5pm and wind it down with a bite at Hearthly, d'jeet or Albariño.

3

Go with the flow

Look for traffic controllers in the lots during peak times this season.

4

Yay for valet! And shuttles too!

We're offering a courtesy valet and shuttles on select dates. Tips discouraged.
Visit thegroveatshrewsbury.com for details.

5

Check your lists from West to East

Park (once) at Grove West for convenient shopping on both sides of the street.
Hop the shuttle or use designated crosswalks.

6

It's a beautiful day in the neighborhood, but only if you don't park there.

We love our neighbors and discourage parking on residential streets around The Grove.
Please utilize all of our stalls including those in back of the center.

7

A message for Dashers. And Comets and Cupids, too.

Plan to be lively and quick? Look for 15-minute parking spots but please, do not idle in the fire lane. It is unpleasant, unsafe and unlawful.

Happy Holidays,

THE GROVE | WEST
