American Documentary

A Letter from **ERIKA DILDAY**

American Documentary is dedicated to bringing high quality, essential documentaries to audiences around the country. We believe in the power and in the art of independent documentary film and in the vision of the storytellers. We curate with conviction and with passion and use our platform to channel the power films have to create meaningful impact and change the conversation on issues that matter.

For almost 40 years, we have continued our mission to showcase authentic, insightful storytelling that reflects the complexities of our times and the richness of our shared humanity. While the public media industry continues to face challenges we are finding strength through alliances and will continue to bring documentary films into homes, online, indie cinemas, and community spaces across the country.

OUR THEME — “HOUSE PARTY: OUR HOUSE. OUR STORIES.” — CENTERS NONFICTION STORYTELLERS AND THE TAPESTRY OF PERSPECTIVES THEIR FILMS CREATE. WE BELIEVE IN THE POWER OF FILM TO EDUCATE, TO ENLIGHTEN, TO GATHER AND AS A CALL TO ACTION. OUR COMMITMENT TO SHARING ESSENTIAL STORIES IS AT THE HEART OF WHAT WE DO AND OUR ANNUAL HOUSE PARTY PROVIDES SPACE FOR US TO CELEBRATE OUR INDEPENDENT FILM COMMUNITY.

Together we can acknowledge the filmmakers and communities working to keep nonfiction films accessible to the American public. On behalf of AmDoc, I'm extending a deep appreciation for your support and I look forward to seeing you shine and revel with us at House Party 2026!

Erika Dilday
Executive Director
