SUMMARY

Accomplished Construction Project Manager with over a decade of experience leading high-profile projects, ensuring on-time completion and budget adherence. Expert in project planning, team management, and resource allocation within fast-paced construction environments.

EXPERIENCE

Construction Project Manager | Company A | January 2020 – Present, Austin, USA

- Spearheaded the completion of 5 large-scale commercial construction projects valued at \$100M+, consistently delivering projects on schedule and under budget.
- Successfully reduced project delivery time by 20% through the implementation of Agile project management methodologies, enhancing efficiency and coordination among cross-functional teams.
- Directed on-site construction activities for projects spanning 1 million square feet, ensuring compliance with safety regulations and quality standards.
- Managed a team of 50+ contractors and subcontractors, fostering a collaborative environment that improved productivity by 30%.
- Implemented advanced project management software (Procore, Primavera) resulting in improved project tracking and reporting.
