REMARKABLE LUXURIOUS COLOSSAL

CATALOGUE 2024

THE BRAND

At ALTA Ceramica, we are dedicated to redefining luxury in interior design through our exquisite collection of porcelain surfaces. Born from the vision of Pinnacle Stone, our brand exists to curate surfaces that will touch you.

Our commitment to excellence is unwavering, as we strive to bring stunning beauty, unparalleled quality, and innovative design to every project.

We at ALTA Ceramica believe in empowering interior designers and architects to realize their creative visions with our remarkable porcelain and sintered stone products. We meticulously select each product line, ensuring it meets the highest standards of durability and aesthetic appeal. From countertops to floors and walls, our luxury porcelain surfaces are designed to inspire and elevate any environment.

ESSENCE

The essence of ALTA Ceramica is captured in the very nature of the products we bring to market:

REMARKABLE, LUXURIOUS, COLOSSAL.

Each word reflects a core element of our brand identity. "Remarkable" signifies our dedication to sourcing unique and breathtaking designs. "Luxurious" underscores the premium quality and sophisticated elegance of our products. "Colossal" emphasizes the grand scale and transformative impact our large-format surfaces can bring to any space.

Join us on a journey to discover the extraordinary with ALTA Ceramica, where luxury meets innovation, and every surface tells a story of unparalleled beauty and craftsmanship.
