慶沢園　MENU KEITAKU-EN　240

An Omakase of quiet restraint, like a breeze over water

The Chef presents here a refined interpretation of the Omakase,
where every gesture matters, and each bite becomes a suspended moment.

This menu is a delicate journey, a quiet compositioninspired
by the serene and meticulous landscapes of Japanese gardens.

The experience unfolds as follows

・Three savoury emotions, like preludes to contemplation
・A collection of ten nigiris, crafted with precision and intuition
・Three sweet creations, as delicate as petals carried by the wind

Each plate is a landscape.Each flavor, a memory.
Keitaku-En is a pause, a breath —an homage to the present moment

An odyssey of gestures, a tribute to precision

This menu is an invitation to discover the pure essence of nigiri sushi —
an art of precision and balance, where rice and fish engage in a composed,
silent dialogue.

The Chef reveals a composition in fourteen movements,
like a collection of edible poems.

The experience unfolds as a delicate and precise journey,
where each nigiri captures a suspended moment, sculpted with exacting grace

Each nigiri is a work of art itself, a reflection of a handed-down tradition,
a gesture repeated until perfected in the present moment.
