

TULI RESTO BAAR

TO START WITH. MEANWHILE. OR TO SUM IT UP.

Just as we love delicious and exciting food, we also love to spice up our meal with some fiery cocktails or quality spirits. To start your evening and wake up all the tastebuds, to have a sip and a long chat with an old friend, have fun with your closed ones or just to end the night with a cherry on top.

You will find here soft, buttery and mouthwatering flavours, but also a bit stronger, smokier and tangier ones. Some bits from the forest and fields around us and elsewhere and definitely something new and surprising.

Have a seat, raise your glass and enjoy. You are about to enter one tasty journey!
