Dear Sir/s,

With reference to your request for lease facility we have the pleasure of offering the following lease facility subject to the key terms and conditions set out in 'Annexure – Terms and Conditions' in this letter. Please note that this Term Sheet is non-binding and Siemens Financial Services Private Limited reserves the right to recall the letter at any given point of time without assigning any reasons whatsoever. The offer of the lease facility mentioned in this Term Sheet is subject to the execution of a definitive Lease Agreement and satisfaction of conditions precedent of such Agreement.

Acceptance to this Term Sheet should be communicated by way of signature of a duly authorised representative of the Lessee within 14 days from the issuance date of this letter. In the case of any delay in the execution of the definitive documentation, you will have to approach us for a renewal of the lease facility. You are requested to call on us with prior intimation for execution of the definitive documents.

Please return either the original or a copy of this letter, bearing an original signature of a duly authorized signatory on behalf of the Lessee and also by any proposed guarantor/s of the lease facility, as acceptance of the terms and conditions contained herein.

Yours faithfully,
For and on behalf of **Siemens Financial Services Pvt. Ltd.**

ANNEXURE

Int Ref No: 10377841-1

Terms and Conditions:

Owner /Lessor	Siemens Financial Services Private Limited (hereinafter referred to as the owner / lessor)
Lessee	BOMBAY COATED AND SPECIAL STEELS PRIVATE LIMITED (hereinafter referred to as the lessee)
Equipment	As per the Annexure - Asset Details
Vendor	As per the Annexure - Asset Details
Location of Asset	As per the Annexure - Asset Details
Security Deposit	INR 820,000 (Rupees Eight Hundred Twenty Thousand and Zero Paise Only) to be paid by the Lessee.
Security Deposit Details	The value of the Security Deposit will be payable by the Lessee to the Lessor prior to the placement of any Lessor PO on the Vendor or issuance of any payment by the Lessor to the Vendor, whichever occurs first. The value of the Security Deposit shall be returned to the Lessee at the end of the Term only upon Lessor certification that the Lessee is in due discharge of all its obligations under the Lease Agreement. The Lessor may at its discretion, appropriate any or all amounts, out of the Security Deposit to be adjusted against any amount remitted by the Lessor to the Vendor as advance payments as detailed in such invoice issued by the Vendor to Lessor; if such Vendor fails to deliver the Equipment. The Lessee agrees that it shall have no cause of action against the Lessor.
Advance Rentals	INR 410,000 (Rupees Four Hundred Ten Thousand and Zero Paise Only) exclusive of duties and taxes to be paid by Lessee as advance rental.
Advance Rental Details	Any advance or part payment made by Lessee against the value of the above advance rental values shall be treated as a payment made on behalf of SFSPL to the respective vendor and documented in an "Assumption Letter". In such case, Lessee is liable to pay only the balance of the advance rental value to SFSPL at the time advance rental falls due. In case surplus payment has been made, the balance payment will be remitted to Lessee post asset delivery. The value of any Advance Rental sum due to SFSPL shall be payable prior to the placement of any SFSPL PO on the respective Vendors.

 - (i) if there is an inconsistency between this Agreement and any other document, this Agreement will prevail;
 - (ii) if there is an inconsistency between this Agreement and a Lease Schedule, the terms of that Lease Schedule will prevail.

2. **THE LEASE**

2.1 *Leasing of Equipment*

- a) From time to time, the Lessee may request the Lessor to lease the Equipment to it by delivering to the Lessor a completed Lease Schedule signed by the authorized signatory / ies of and on behalf of the Lessee. Lessee acknowledges that by forwarding a Lease Schedule for acceptance by Lessor, Lessee authorises Lessor to acquire the Equipment for the purpose of leasing hereunder, from the Supplier identified by Lessee, with specifications, and upon terms as detailed out in the proforma invoice.
- b) The Lessor may in its absolute discretion either accept or reject the request to lease the Equipment to the Lessee.
- c) Parties have stipulated the amount mentioned in the Lease Schedule as the Equipment Cost accepting the same to be the actual cost incurred by Lessor. However, if actual cost stands increased for any reason at any time, such actual cost shall substitute the amount specified in the Lease Schedule effective from Commencement Date.
- d) If the Lessor elects to accept the Lessee’s request, the Lessor will indicate acceptance by counter-signing and returning a copy of the Lease Schedule to the Lessee.
- e) If the Equipment is delivered to the Lessee before the Lessor accepts the Lease Schedule, the Lessee must in any event comply with the provisions of this Agreement relating to care, insurance and use of the Equipment.

- f) Lessee shall pay all duties, taxes and relevant charges applicable on import of Equipment from the port of entry prior to customs clearance, till the Equipment reaches Lessee's site including but not limited to customs duties levied on clearance of goods; any liability incurred to pay such obligations will not preclude Lessee from discharging all obligations under this agreement.

2.2 Term

Subject to the provisions of this Agreement, in respect of each Lease Schedule, the Term starts on the first Payment Date as stated in the Lease Schedule.

2.3 End of Lease Term

The Lessee shall give the Lessor a written notice six (6) months prior to the expiry of the Lease Term, expressing desire to terminate and return the Equipment at the end of the Lease Term in accordance with this Agreement.

The following conditions will apply if the Lessee purchases the Equipment at the end of Lease Term from the Lessor:

- a) The Lessee shall not sell, export or re-export, directly or indirectly, to the Russian Federation or Belarus or for use in the Russian Federation or Belarus, any Equipment under or in connection with this Agreement and corresponding Lease Schedule (including, but not limited to, hardware, software, technology and corresponding documentation)
- b) The Lessee shall undertake its best efforts to ensure that the purpose of paragraph (1) is not frustrated by any third parties further down the commercial chain, including by possible resellers.
- c) The Lessee shall set up and maintain an adequate monitoring mechanism to detect conduct by any third parties further down the commercial chain, including by possible resellers, that would frustrate the purpose of paragraph (1).
- d) Any violation of paragraphs (1), (2) or (3) shall constitute a material breach of an essential element of this Agreement, and the Lessor shall be entitled to seek appropriate remedies, including, but not limited to:
- request a plan to remedy the infringement,
 - claim penalties in the amount of the price of the re-exported Equipment,
 - rescind the Agreement,
 - suspend any of its business relationships with the Lessee and/or its Affiliate, until the breach of paragraph 1 is remedied; and/or
 - terminate the Agreement
- e) The Lessee shall immediately inform the Lessor about any problems in applying paragraphs (1), (2) or (3), including any relevant activities by third parties that could frustrate the purpose of paragraph (1). The Lessee shall make available to Lessor information concerning compliance with the obligations under paragraph (1), (2) and (3) within two weeks of the simple request of such information.
- f) Lessee will indemnify and hold harmless the Lessor, its affiliates, sub-contractors, and their representatives, against any claims, damages, fines and costs (including attorney's fees and expenses) relating in any way to Lessee's non-compliance with paragraphs (1), (2), (3) or (5)

2.4 Automatic Extension

The Lessee agrees that, unless the Lessor otherwise notifies to the Lessee in writing, the Lease Term will be automatically extended for a further term of six (6) months on the same terms and conditions prevailing at end of the Term if the Lessee fails (i) to give a written

defect in, breakdown, accident, loss, theft or damage to or non-delivery of, the Equipment and the Lessee shall not be entitled to withhold payment of any Lease Instalment even if any Equipment does not function.

5. GUARANTEE

In consideration of the Lessor leasing the Equipment to the Lessee on payment of Lease Instalments (the Lease) pursuant to the Lease Schedule and the Master Lease Agreement (the Agreement), the Guarantors, jointly and severally agree with the Lessor as follows:

- (a) The Guarantor(s) hereby unconditionally and irrevocably guarantee to the Lessor the due payment by the Lessee of the Lease Instalments and the due payment of all amounts which are or which may at any time hereafter become due and payable by the Lessee to the Lessor under or in connection with the Lease that may be granted by the Lessor (or its assigns) to the Lessee in the future (all of which are hereinafter collectively referred to as the Lessee's Dues).
- (b) In event of the Lessee for any reason omitting, failing or defaulting in making the payment of the Lessee's Dues or any part thereof to the Lessor, the Guarantor(s) irrevocably agree and undertake that on demand by the Lessor, the Guarantor(s) shall without any demur or protest pay to the Lessor the Lessee's Dues in full up to the date of payment.
- (c) Any such demand made by the Lessor on the Guarantor(s) shall be conclusive as regards the correctness of the amount mentioned therein, as having become due and payable by the Lessee to the Lessor, and also conclusive as regards default having been committed by the Lessee in payment of the amount to the Lessor.
- (d) To give effect to this Guarantee, the Lessor shall be at liberty to consider and treat the Guarantor(s) as the principal debtors to the Lessor in respect of all payments guaranteed by the Guarantor(s) to the Lessor (or its assigns) hereunder.

(e) The Guarantors' liability hereunder is joint and several along with the liability of the Lessee and co-extensive with that of the Lessee.

(f) This Guarantee shall be enforceable against the Guarantor(s) notwithstanding that any negotiable instrument may be outstanding at the time when demand is made or proceedings are taken against the Lessee or any security is available for the Lessee's Dues with the Lessor or is sold or sought to be sold by the Lessor.

(g) The Guarantor(s) hereby consent to the Lessor for - (i) making any variance, amendment, change or modification in this Agreement and/or Schedule with the Lessee which the Lessor may deem fit; (ii) varying the terms and conditions of the said Lease (iii) giving time to the Lessee for payment of any sums due from the Lessee; making composition with the Lessee or granting to the Lessee any indulgence; (iv) releasing or parting with any security; and (v) agreeing not to sue the Lessee. The Guarantor(s) hereby waives all the rights available to sureties under sections 133, 134, 135, 139 and 141 of the Indian Contract Act, 1872 and also agree that they shall not be entitled to the benefit of subrogation of any security held by the Lessor until all monies due to the Lessor which are secured are fully repaid and also if the same security is held by the Lessor for any other indebtedness of the Lessee. The Lessor shall be under no liability to marshal in favour of the Guarantor(s) any securities or any funds or assets which the Lessor (or its assigns) may be entitled to receive or upon which the Lessor has a claim.

(h) This Guarantee and the Guarantors' obligations hereunder shall not be affected and/or discharged if due to any circumstances whatsoever the name or the constitution or administration of the Lessee or its undertakings is taken over or nationalised by the Central or the State Government under applicable law or under any law for the time being in force or the Lessee is declared to be a sick industrial unit or relief undertaking or if for any other reason the Lessor is unable to proceed against the Lessee or the Lessee's liability is stayed or suspended or proceedings against the Lessee are stayed or suspended.

6. ACQUISITION OF THE EQUIPMENT

6.1 Lessee as agent

The Lessee shall obtain and accept delivery of the Equipment on behalf of the Lessor as its agent from the Supplier at its own expense and, if required, arrange for its installation at its own expense.

6.2 Lessee's acknowledgment

The Lessee acknowledges that in each case:

- a) the Lessee has selected the Equipment without any assistance from the Lessor, its agents or employees, and the Lessor purchases the Equipment only due to Lessee's request;
- b) Equipment has been selected by Lessee, based on Lessee's own judgment and without in anyway relying on any claim or representation made by Lessor, from a Supplier selected by Lessee, for specifications decided by Lessee and at a price negotiated by Lessee.
- c) Lessee has or shall have examined the Equipment before accepting it and has satisfied himself as to its condition and suitability for Lessee's purpose, and its compliance with any prescribed safety standards.
- d) the Lessor will be liable to pay the purchase price for the Equipment to the Supplier only upon being satisfied with the submission of the required documents by the Lessee;
- e) the Lessor has given no representation or warranty regarding the quality, fitness, safety or suitability of the Equipment, and no person is authorised by the Lessor to do so;
- f) to the full extent permitted by law, all representations and warranties (other than the ones explicitly set out in this Agreement) are excluded by the Lessor and the Lessor is not liable for any damage, injury or loss to any person or property arising from the possession, operation or use of the Equipment;
- g) the Lessee does not have any title to the Equipment;

- h) no agreement or representation has been made by the Lessor or by any other person which will entitle the Lessee to acquire the Equipment at a later date;
- i) the Lessee will contact the Supplier, and not the Lessor, for any collateral warranty required in relation to the Equipment;
- j) if the Equipment includes software:
 - (i) to the extent the Lessor is permitted, the benefit of any license or any rights to use the software for the duration of the Term and the Interim Period (if any) is granted to the Lessee;
 - (ii) the Lessor makes no representation about the software and the Lessee cannot refuse to pay Lease Instalments or make any other claim should the Lessor not be able to grant rights to use that software or should the software be defective or unsuitable; and
 - (iii) the Lessee must return the software to the Lessor with the Equipment at the expiration of the Term or upon the earlier termination of this Agreement, as the case may be.

6.3 *Acknowledgment of delivery*

The Lessee accepts that the delivery of the Equipment has taken place on the date mentioned in the delivery challan, way bill, lorry receipt or any other document authenticating delivery of the Equipment which is submitted to the Lessor by the Lessee.

In case of any cancellation of the delivery order by the Lessee post payment to the Supplier by the Lessor, the Lessor shall have the right to recover the disbursed amount from the Lessee and Lessee will be under an obligation to refund the said amount within a period of 7 (seven) days from the date of receipt of written demand notice from the Lessor for the same. Further, Lessor shall also impose interest charges @ of 14 % per annum for the period of utilization of funds along with statutory taxes and damages, if any that have become due till the date of refund.

It is understood between the Parties that the Lessor is purchasing the Equipment selected by the Lessee only for the benefit of the Lessee. In the event that the Lessee does not take Delivery of the Equipment post purchase by the Lessor, any expense incurred by the Lessor relating to the purchase of the Equipment which is not subsequently accepted/ taken delivery of by the Lessee shall be borne entirely by the Lessee by way of indemnifying the Lessor for all such costs incurred by the Lessor including but not limited to the cost of the Equipment paid by the Lessor to the Supplier or Manufacturer.

6.4 *Assignment of benefit of Supplier and Manufacturer warranties*

To the extent legally possible, the Lessor assigns to the Lessee the benefit of all Supplier and Manufacturer warranties which may be given to the Lessor in relation to the Equipment for the duration of the lease of the Equipment in terms of this Agreement. The Lessee may not waive any of the Lessor's rights, as purchaser of the Equipment, as against the Supplier, as seller, (in particular warranties of a seller available under the Sale of Goods Act, 1930) and/or as to any other warranty furnished in place of any warranty implied or provided under any law or contract.

7. FEES AND CHARGES, AND DEFAULT INTEREST

The Lessee shall deliver to the Lessor the renewal receipts in connection with such insurance and shall duly and punctually pay all premia and shall not do or suffer to be done or omit to do or be done any act which may invalidate or avoid such insurance.

9.3 Lessor’s Entitlement to take out/renew Insurance

In case of any delay or default by the Lessee in this regard, the Lessor may (but shall not be bound to) take out / renew any insurance as referred to hereinabove. Any premium paid by the Lessor and any costs, charges and expenses incurred by the Lessor shall within three (3) Business Days of receipt of notice of demand be reimbursed to the Lessor by the Lessee. The Lessor shall be entitled to require the Lessee to change the insurance policy or the insurer or increase the policy amount and the Lessee shall forthwith do comply with such request.

9.4 Trust

The Lessee hereby declares that in relation to the Equipment and the insurance proceeds and all documents relating to the Equipment shall be held by the Lessee in trust for the Lessor and the Lessee shall not do or permit or suffer to be done anything which might prejudice any such insurance.

10. LOST, STOLEN OR DAMAGED EQUIPMENT

10.1 Liability of the Lessee

The Lessee shall be liable for any loss, theft or damage caused to the Equipment for any reason whatsoever.

10.2 Written notification and replacement

Without prejudice to clause on *Liability of the Lessee* above, if any Equipment is lost, stolen or damaged beyond economic repair the Lessee must immediately notify the Lessor in writing. On receiving such a written notice, the Lessor shall be entitled to terminate the applicable Lease Schedule and appropriate the insurance proceeds towards the balance Lease Instalments.

10.3 Notwithstanding the foregoing, the Lessor may at Lessee’s cost replace that Equipment with equipment of like nature approved by the Lessor. Upon replacement of the Equipment, the Parties shall suitably amend the description of the Lease Schedule to reflect the description of the new equipment and this Agreement will continue with respect to that replacement equipment as if it was the original Equipment. The Lessee shall ensure that an Assumption Letter is addressed by and between the Lessee and the Lessor to the Supplier in the form specified by the Lessor in respect of the replacement equipment.

10.4 Insurance proceeds on stolen, damaged or lost Equipment

Provided the Lessee complies with its obligations under this Agreement (*Written notification and replacement*), the Lessor will pay to or credit the Lessee with the amount of any insurance proceeds received under clause pertaining to Insurance.

10.5 Lessee’s liability in case of stolen, damaged or lost Equipment

In the event the insurance proceeds are inadequate to cover the balance Lease Instalments, the Lessee shall be liable to pay the differential sum between the insurance proceeds and the aggregate sum of the balance Lease Instalments. The Lessee shall make the payment of the sums mentioned in this clause within 3 business days of the Lessor making the demand.

Notwithstanding anything contained anywhere in the Agreement, the occurrence of any event under this clause shall not relieve the Lessee of the obligation to pay Lessor the Lease Instalments and all other amounts owed hereunder until such time as the insurance proceeds are received by the Lessor.

11. REPRESENTATIONS AND WARRANTIES OF THE LESSEE

11.1 *Representations and Warranties*

The Lessee makes the representations and warranties set out in this clause (*Representations and Warranties*) to the Lessor on the date of this Agreement, on the date of execution of each Lease Schedule and on each Payment Date under a Lease Schedule:

- a) It and the Guarantor have the power to own its assets and carry on its business as it is being conducted.
- b) The entry into and performance by it and the Guarantor of the transactions contemplated by this Agreement to which it and the Guarantor is a party do not and will not conflict with:
 - (i) any law, regulation or order applicable to it;
 - (ii) its or the Guarantor's constitutional documents; or
 - (iii) any agreement or instrument binding upon it or the Guarantor.
- c) It and the Guarantor has the power to enter into, perform and deliver, and has taken all necessary action and has received all necessary authorisations to allow its entry into, performance and delivery of, this Agreement to which it is a party and the transactions contemplated by this Agreement.
- d) Its audited financial statements most recently delivered to the Lessor (including the Original Financial Statements):
 - (i) were prepared in accordance with GAAP consistently applied; and
 - (ii) fairly present as at and in respect of the period ending on the date to which they were drawn up, its consolidated financial condition and operations.
- e) There has been no material adverse change in its business or financial condition (or the business or consolidated financial condition of the Group) since the date of the most recent audited financial statements delivered.
- f) Its payment obligations under this Agreement rank at least pari passu with the claims of all its unsecured and unsubordinated creditors, except for obligations mandatorily preferred by law applying to companies generally.
- g) No litigation, arbitration or administrative or regulatory proceedings or investigations which, if adversely determined, might (by themselves or together with other such proceedings) reasonably be expected to have a Material Adverse Effect are current or (to the best of its knowledge and belief) pending or threatened against it.
- h) The Lessee has not received any petition for, and no order has been made for the purpose of considering a resolution for the winding up, dissolution or cancellation of registration of the Lessee (or for similar or analogous proceedings) or for the appointment of any provisional liquidator or administrator or similar or analogous person. No receiver or similar or analogous person has been appointed in respect of the whole or any part of any

of the property, assets and/or undertaking of the Lessee. The Lessee is not insolvent and has not stopped paying debts as they fall due.

- i) No director of the Lessee has been a director of a company or associated with a trust, society or partnership concern that has defaulted in repayment of leases in the past.
- j) The Lessee has disclosed to the Lessor all facts and circumstances material to this Agreement or any Lease Schedule and known to the Lessor, or which reasonable would be likely to be material to the Lessor, including, but not limited to facts and circumstances relevant to the purchase price and/or the market value of any Equipment.
- k) The persons nominated as authorised signatories of the Lessee have been authorised by all necessary corporate or other actions of the Lessee for all purposes arising in connection with this Agreement, including but not limited to, the signing of Lease Schedules from time to time and for all purposes arising in connection with the payment of the Lease Instalments referred to in clause 3.1 of the Agreement.

11.2 *Reliance by Lessor*

The Lessee hereby declares that the Lessee is aware that the Lessor has agreed to grant the lease on the faith of the above representations and warranties made by the Lessee from time to time and believing all of them to be true and correct, and that there have not been any material changes therein which may affect the said representations.

12. INDEMNITIES

The Lessee shall, on demand, indemnify the Lessor against any cost, loss or liability incurred by the Lessor as a result of:

- a) the occurrence of any Default;
- b) a failure by the Lessee to pay any Lease Instalment under this Agreement on its due date; or
- c) the Lessor funding, or making arrangements to fund, the lease requested by the Lessee but the lease not made by reason of the operation of any one or more of the provisions of this Agreement.

13. USE OF THE EQUIPMENT

13.1 *Responsibility of the Lessee*

The Lessee shall towards the Lessor be solely responsible for the installation, operation, and maintenance of the Equipment. The Lessee shall keep the Equipment in good condition and running order and shall use and operate the Equipment in compliance with applicable laws.

13.2 *Use of the Equipment*

The Lessee undertakes to:

- a) keep the Equipment in good working order and repair and properly operated and serviced and maintained in accordance with the Manufacturer specifications and/or recommended service guides and in compliance with all statutory, licensing, registration or other requirements or recommendations relating to the Equipment, including without limitation all applicable Indian Standards and codes of practice and registration requirements under occupational health and safety legislation.;
- b) comply with the Manufacturer's and/or authority guidelines and recommendations in relation to calibration, decontamination, electrical, hygienic and other works and tests as well as software bug fixes and upgrades, which are necessary to guarantee that the Equipment remains in a condition of fair wear and tear;

- c) not sell, dispose of, abandon, encumber in any way (including but not limited to by way of hypothecation, pledge, judicial attachment or lien), or lease or sub-lease or part with possession of the Equipment, nor offer or attempt to do any of the foregoing, without the prior written consent of the Lessor;
- d) immediately procure the release of the Equipment from any lien, hypothecation or other encumbrance;
- e) upon the request of the Lessor affix or allow the Lessor or a third party designated by the Lessor to affix property tags, labels or other devices to make clear identification of the Equipment as Lessor's property and not to alter any property tags, labels or other devices and not remove any license number identification tags affixed on the Equipment;
- f) not alter the Equipment without prior written consent of the Lessor. In particular, but without limiting the generality of the foregoing, the Lessee may not effect any alteration to the Equipment which will reduce capability or value of the Equipment, or actually or potentially compromise the safety of the Equipment. Even if the Lessor consents to any alterations, the Lessor may require the Lessee to restore the Equipment to its original condition at the Lessee's cost upon return of the Equipment to the Lessor;
- g) ensure that the Equipment is only used and/ or operated by persons who are qualified or licensed to use or operate the Equipment or, if applicable, by persons who are recognised by the relevant statutory licensing or certification authority;
- h) provide information to the Lessor, within five (5) Business Days of written request from the Lessor, concerning the Premises, general condition, maintenance records and usage of the Equipment and allow the Lessor or any person designated by the Lessor to visit and inspect the Equipment and maintenance records in connection with the Equipment during normal business hours and upon reasonable advance notice at any reasonable time upon the Lessor first giving the Lessee 24 hours prior notice (except if the Lessor determines that an Event of Default is continuing or special circumstances require, in such case at all times and without notice). If any discrepancies are found pertaining the condition of the Equipment, the Lessor must notify the Lessee in writing and the Lessee will have fifteen (15) Business Days to address and cure the discrepancy as mutually agreed by the Parties at Lessee's expense and any failure of the Lessor to notify the Lessee shall not be construed as a waiver by the Lessor of any of its rights under or in connection with this Agreement;
- i) not abuse or neglect the Equipment, or use it for any purposes for which it was not designed or intended to be used. If any damage occurs to the Equipment as a result of the latter, the Lessee must immediately repair it at its own cost;
- j) not change the Premises where the Equipment is located without the prior written consent of the Lessor and in case of such change provide the Lessor with a letter of the landlord, or owner or other person in charge of the day to day running of such new premises where the Equipment is to be kept, as set out in Schedule 10;
- k) at Lessee's own cost comply with all laws, rules and regulations (statutory or otherwise) relating to the hire, possession, operation, licensing, registration, insurance of the Equipment and its use and to obtain and keep effective at all times all necessary insurance, licenses, permissions, approvals and consents for the storage, use and operation of the Equipment;
- l) use the Equipment for business purposes only;
- m) not add any accessories which could cause design load or other operational limits to be exceeded and ensure that all parts or accessories which are replaced or added to the Equipment or replaced are the Manufacturer's parts and accessories. All parts and accessories which are replaced or added to the Equipment will become the Lessor's property without compensation to the Lessee. In addition, the Lessor must return to the Lessor all parts or accessories which have been replaced, unless the Lessor otherwise directs the Lessee in writing.

- n) to notify the Lessor in writing in the event that the Lessee wishes to upgrade the Equipment. The Lessee offers the Lessor the right of first refusal to lease any upgraded equipment to the Lessee, in the event that the Lessee requires a lease option for such equipment.
- o) enter into and maintain in force a maintenance contract at Lessee's own expense with the Supplier or other qualified maintenance organization, selected by Lessee during the Lease term and subsequent extensions. Such contract shall commence upon the expiration of the manufacturer's warranty period, if any, relating to such Equipment. Any failure or breach on the part of the maintenance provider will not in any way release Lessee from Lessee's obligation to pay the Lease instalments and observe Lessee's other obligations under this Agreement.
- p) comply with the use and return conditions as specified in Annexure 1 of this Agreement.

13.3 *Property of Lessor*

The Lessee acknowledges that the Equipment will remain the property of the Lessor and/or its successors or assigns, and that the Lessee only has the right to use the Equipment. Unless with the Lessor's prior approval, the Lessee further acknowledges and agrees to not accede, install, embed, affix or attach the Equipment to any premises or property or asset or any immovable property or any thing attached to any immovable property or any other movable or personal property in such a manner as to form one and indivisible unit, and that on termination of this Agreement for whatever cause, the Lessor shall be entitled to remove the Equipment without compensation to the Lessee. The Lessee shall indemnify the Lessor against any costs, loss or liability that may reasonably incur as a result of such removal.

13.4 *Non-fulfilment of obligations*

Provided the Lessee does not fulfil any obligation under this Agreement, including, but not limited to the Lessee's obligations in respect of maintenance and repair of the Equipment and its obligations in respect of the Tracking System, the Lessor may (but does not have to), without prejudice to any of the Lessor's other rights, fulfil the obligation on the Lessee's behalf, and the Lessee must reimburse the costs of doing so on demand.

14. MAXIMUM USE

If the Parties agree on a maximum usage of the Equipment in the applicable Lease Schedule the following provisions shall apply:

14.1 *Maximum usage*

The Lessee will at no time exceed the maximum usage set out in the applicable Lease Schedule.

14.2 *Excess usage surcharge*

In case the maximum usage of the Equipment has been exceeded, without prejudice to the other rights of the Lessor, the Lessee will pay to the Lessor an excess usage surcharge (plus applicable Taxes) as set out in the applicable Lease Schedule.

14.3 *Measuring of usage*

The Lessee will ensure that the Equipment is fitted with an engine monitoring tracking system or device which monitors and regularly reports on the usage of the Equipment, including hours of usage and excessive usage (**Tracking System**). The Lessee will furnish the Lessor with Tracking System reports on each Payment Date. The Lessee may not tamper with the Tracking System and will immediately advise the Lessor if the Tracking System is faulty and repair or replace the Tracking System at the Lessee's cost without delay.

If the Equipment is not fitted with a Tracking System the Lessee furnish the Lessor on each Payment Date with monthly reports which set out all such details as the Lessor may require in its sole

discretion from time to time relating to the usage of the Equipment (including hours of usage and excessive usage) during the previous month.

In the event that it is not possible to determine the actual usage, *e.g.* in case of default of the Tracking System or any other recording device, the Lessor has the right to appoint on Lessee's costs an independent expert in order to estimate the actual usage of the Equipment.

15. INFORMATION UNDERTAKINGS

15.1 Information Immediately upon Occurrence

The Lessee shall supply to the Lessor immediately upon occurrence:

- a) all necessary information in case of material change in its Group structure;
- b) all necessary information on Equipment repairs and costs incurred;
- c) all information on accidents regarding the Equipment and damages incurred.

15.2 Further Information

The Lessee shall supply to the Lessor:

- a) any information that may be required by the Lessor;
- b) such further information regarding the financial condition, business and operations of the Lessee or any member of the Group as the Lessor may reasonably request; and
- c) such details of the Equipment and their operation as may be required by the Lessor from time to time.

15.3 Notification of Default

The Lessee shall notify the Lessor of any Default (and the steps, if any, being taken to remedy it) promptly upon becoming aware of its occurrence. Promptly upon a request by the Lessor, the Lessee shall supply to the Lessor a certificate signed by two of its directors or senior officers on its behalf certifying that no Default is continuing (or if a Default is continuing, specifying the Default and the steps, if any, being taken to remedy it).

15.4 Know your Customer Checks

The Lessee shall be in compliance with the Know Your Customer (KYC) norms as prescribed by the RBI from time to time and promptly upon the request of the Lessor supply, or procure the supply of, such documentation and other evidence as is reasonably requested by the Lessor in order for the Lessor or any prospective person to whom the Lessor's rights are proposed to be assigned or transferred to carry out and be satisfied it has complied with all necessary know your customer or other similar checks under all applicable laws and regulations pursuant to the transactions contemplated in this Agreement.

16. EVENTS OF DEFAULT

Each of the events or circumstances set out in this clause (*Events of Default*) is an Event of Default.

16.1 Non-fulfilment of essential obligations

The Lessee fails to perform or comply with any of the following essential obligations under any Lease Schedule and this Agreement:

- a) **Non-payment** - The Lessee fails to pay to the Lessor on the due date any Lease Instalments payable pursuant to the applicable Lease Schedule under this Agreement or any other sums due under this Agreement or any Lease Schedule at the time and in the manner specified;

- b) **Transfer of the Equipment** – Any Equipment is transferred, encumbered, alienated, sold, moved, pledged, sublet, or possession relinquished, or any attempt to do so without prior approval in writing of the Lessor;
- c) **Usage for illegal purposes** – Any Equipment is used for illegal purposes;
- d) **Change in the Premises** – The Premises specified in a Lease Schedule are changed by the Lessee without the prior written consent of the Lessor;
- e) **Transfer of rights and obligations** – If the rights or obligations of the Lessee under this Agreement or any Lease Schedule are transferred, encumbered, alienated, and sold without prior approval in writing of the Lessor;
- f) **Insurance** – If the Lessee does not keep any Equipment insured as set out in this Agreement.

16.2 Other obligations

The Lessee fails to perform other obligations in this Agreement or any Lease Schedule, unless the non-compliance is capable of remedy; and is not remedied within ten (10) Business Days of the earlier of the Lessor giving notice to the Lessee or the Lessee becoming aware of the failure to comply.

16.3 Misrepresentation

Any representation or warranty or statement made or deemed to be made by the Lessee in this Agreement or any Lease Schedule or any other document delivered by or on behalf of a the Lessee under or in connection with this Agreement is or proves to have been incorrect or misleading in any material respect when made or deemed to be made.

16.4 Insolvency

Any of the following occurs in respect of the Lessee or the Guarantor:

- a) it is, or is deemed for the purposes of any law to be, unable to pay its debts as they fall due or insolvent;
- b) it admits its inability to pay its debts as they fall due;
- c) the value of its assets is less than its liabilities (taking into account contingent and prospective liabilities);
- d) it suspends making payments on any of its debts or announces an intention to do so;
- e) it commences written or oral negotiations with one or more of its creditors with a view to rescheduling any of its indebtedness;
- f) there is a material deterioration in its financial situation;
- g) a moratorium is declared in respect of any of its indebtedness.

16.5 Cross Default

Any of the following occurs in respect of the Lessee:

- a) any of its Financial Indebtedness is not paid when due nor within any originally applicable grace period; or
- b) any of its Financial Indebtedness:

- (ii) is declared to be or otherwise becomes due and payable prior to its specified maturity;
- (iii) is placed on demand; or
- (iii) is capable of being declared due and payable prior to its specified maturity or of being placed on demand,

in each case, as a result of an event of default (howsoever described); or

- c) any commitment for any of its Financial Indebtedness is cancelled or suspended by a creditor as a result of an event of default (however described); or
- d) Lessee or any of its Affiliates defaults in any agreement with the Lessor or any of its Affiliates.

16.6 Unlawfulness

If it becomes unlawful for the Lessee to perform any of its obligations under this Agreement or any Lease Schedule, in any applicable jurisdiction, or if it becomes unlawful for the Lessor to perform any of its obligations as contemplated by this Agreement or any Lease Schedule or to fund or maintain any lease entered into hereunder.

16.7 Change in controlling ownership

If there is any Change of Control of the Lessee, without the prior and written consent of the Lessor.

16.8 Material Adverse Change

A Material Adverse Change occurs in relation to the Lessee.

16.9 Corporate debt re-structuring and arrangements with creditors

If the Lessee executes any corporate debt re-structuring or arrangements with creditors without the prior written consent of the Lessor.

17. LESSOR'S REMEDIES ON AN EVENT OF DEFAULT

17.1 Lessor's remedies

On the occurrence of an Event of Default (in relation to one or more Lease Schedules) under this Agreement (*Events of Default*), the Lessor may give notice terminating this Agreement or any Lease Schedule.

17.2 Returning of the Equipment by the Lessee

If any Lease Schedule is terminated, then the Lessee shall immediately return the respective Equipment in compliance with the relevant provisions of the return conditions set out in this Agreement (*Return of Equipment*).

17.3 Entry into the Premises

Upon termination of any Lease Schedule, the Lessee hereby authorizes the Lessor to enter, with or without legal process, the premises where the respective Equipment is located and take possession of the Equipment. In taking such possession, Lessor may (a) do all such acts or things as a reasonable person would do to protect his property from undue infringement or to recover his property unlawfully detained by anyone; (b) make such use of force as may be required; (c) break remove or demolish any structure thing or object that in any way obstructs the removal of the Equipment; (d) take possession of the Equipment with anything mounted on it, contained in it, affixed or attached to it, permanently or otherwise, and whether belonging to the Lessee or any other person, at the sole risk, cost and liability of the Lessee.

17.4 *Encashment of the PDCs*

On termination of any Lease Schedule, the Lessor will be entitled to encash any of the PDCs provided to it by the Lessee.

17.5 *Payments*

On termination according to this Agreement, the Lessee shall be liable to pay to the Lessor:

- (a) all moneys due and payable under this Agreement and the terminated Lease Schedule including but not limited to any default interest under this Agreement (*Default Interest*);
- (b) liquidated damages equal to the aggregate amount of all future Lease Instalments payable under this Agreement and the terminated Lease Schedule(s); and
- (c) any early repayment or other break costs incurred by the Lessor as a secured or financing party or the owner of the Equipment in pre-paying any funding arrangement in connection with the purchase and leasing of the Equipment to the Lessee.

Any termination of this Agreement or any Lease Schedule and any payment by the Lessee will not affect any other rights that the Lessor has under this Agreement or any Lease Schedule or law or otherwise.

17.6 *Other grounds*

Except as provided for in this clause (*Lessor's remedies on an Event of Default*) and in this Agreement (*Early Termination*), this Agreement or any Lease Schedule shall not be terminated by either Party.

18. RETURN OF EQUIPMENT

18.1 *Delivery of the Equipment*

At the expiration or earlier termination of the Term, the Lessee will at its expense deliver the Equipment in good working order, undamaged, cleaned and after removing all tags affixed by the Lessee to the Lessor. The Lessee must also, at its expense, arrange transit insurance and, where applicable, dispose of consumables and fluids which cannot be transported from the site. The Lessee shall ensure that the Equipment is packed, crated and transported in accordance with Manufacturer's specifications and requirements during transit and on-loading and off-loading and returned to the Lessor in such working condition which would reasonable be expected of the Equipment which has been regularly been used, maintained, serviced and repaired, wear and tear excepted. All costs incurred by the Lessor in re-assembling the Equipment to an operational and safe condition shall be borne and payable by the Lessee on demand. The Lessee will ensure that this is done in accordance with the prevailing industry standards.

18.2 *Transport of Equipment*

The Equipment shall be delivered according to the Manufacturer's standards by a mutually agreeable carrier specialised on transport of such Equipment to a location designated by the Lessor.

18.3 *Return of Equipment Report*

A detailed packing list and a de-installation report has to be made by the Lessee and transferred to the Lessor.

18.4 *Deletion of the data on the Equipment*

The Equipment shall be unlocked, un-coded and all remaining data (e.g. customer data, patient data, etc.) shall be professionally erased according to local law and guidelines by the Lessee prior to the return. The Lessor shall not be liable for any use made of the data which remains in/with the

Equipment. The Lessee shall hold the Lessor harmless from all third party claims resulting from any breach of this obligation

18.5 *Completion of delivery*

The Equipment will not be regarded as returned, unless:

- a) it is disassembled and/or decommissioned in accordance with the original Manufacturer's specifications by an authorised person and appropriate certificates have been supplied, and it is returned in accordance with the requirements set out in this Agreement; and
- b) it is returned with all operator, maintenance and service manuals, including all applicable maintenance, operating availability and service records, and the full service history of each piece of the Equipment; and
- c) it is returned with a certificate as to the safety of the Equipment.

18.6 *Return of the Equipment*

Upon return of the Equipment:

- a) The Lessor or its agents will inspect the Equipment and complete an appraisal report. The Lessee or its agent may attend the inspection;
- b) The Lessee or its agent must sign the appraisal report and endorse on the report in which respects the Lessee disagrees with the appraisal report. The Lessor shall give copy of the report to the Lessee;
- c) The report will be deemed to be correct, if the Lessee or its agent do not attend the inspection, and/or other than for the Lessee or its agent's endorsements on the report and latent defects.

18.7 *Dispute regarding the condition of the Equipment*

If the Lessee disputes the condition of the Equipment, the Equipment will be examined by the Manufacturer or, at the Lessor's option, by an independent appraiser chosen by the Lessor (or his nominee) (the **Expert**). The Expert will act as an expert and not as an arbitrator and his decision will be final and binding on the parties. The costs of the expert will be shared equally between the parties.

18.8 *Damages*

The Lessee shall be responsible and shall compensate for any damages or losses incurred by the Lessor due to violation by the Lessee of the conditions under this Agreement. The Lessee must pay to the Lessor on demand for the quoted costs of repairing the damages in the appraisal report and of reinstating the Equipment to the minimum requirements set out in this Agreement and to its condition as at Commencement Date (fair wear and tear excepted). The Lessee acknowledges that any and all operational damage shall be repaired according to Manufacturer specifications using Manufacturer's components and that the costs associated therewith will be calculated accordingly.

19. **CHANGES TO THE LESSOR**

The Lessor may assign any of its rights; or transfer by novation any of its rights and obligations, to an Affiliate or to another bank or financial institution or to a trust, fund or other entity, or undertake securitisation of the Equipment. For the avoidance of doubt, the consent of the Lessee would not be required for such assignment, novation or securitisation.

20. **CHANGES TO THE LESSEE**

The Lessee may not assign any of its rights or transfer any of its rights or obligations under this Agreement and under each Lease Schedule without the prior written consent of the Lessor.

21. DISCLOSURE OF INFORMATION

The Lessee must keep confidential any information supplied to it by or on behalf of the Lessor in connection with this Agreement. The Lessor is entitled to disclose information shared by the Lessee:

- a) which is publicly available, other than as a result of a breach of this clause (*Disclosure of Information*);
- b) in connection with any legal or arbitration proceedings;
- c) if required to do so under any law or regulation;
- d) to a governmental, banking, taxation or other regulatory authority or credit information agency including, without limitation, to the Credit Information Bureau (India) Limited;
- e) to its professional advisors;
- f) to an Affiliate or other members of the Group to any person with whom it may enter, or has entered into, any kind of transfer, participation or other agreement (including agreements required for securitisation);
- g) where such information is being retrieved or authenticated using vendor services as appointed by the Lessor
- h) in connection with promotional purposes as part of the Lessor’s marketing material i.e. websites, corporate presentations, sales presentation, social media and other such promotion material

The Lessee hereby consents to the Lessor storing any and all information pertaining to the Lessee, provided by the Lessee to the Lessor, or such information being procured by the Lessor through public domain, in electronic form on any data centre in India and/or outside India.

The Parties hereby agree that the payment made by the Lessor to the Supplier would be based on the mutual understanding between the Supplier and the Lessor or as may be instructed by the Lessee to the Lessor.

22. PAYMENT MECHANICS

22.1 *No set-off by the Lessee*

All payments to be made by the Lessee under this Agreement shall be calculated and be made without (and free and clear of any deduction for) set-off or counterclaim.

22.2 *Collection Agent*

The Lessor shall be entitled to appoint a collection agent or such other persons as may be deemed fit by the Lessor to monitor payments under this Agreement and the Lessee shall follow all such instructions of the Lessor's representative.

22.3 *Business Days*

Any payment which is due to be made on a day that is not a Business Day shall be made on the next Business Day in the same calendar month (if there is one) or the preceding Business Day (if there is not).

23. SET-OFF

The Lessor may set off any obligation due from the Lessee under this Agreement against any obligation (whether or not matured) owed by the Lessor to the Lessee, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Lessor may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

24. WAIVER OF RIGHTS

No waiver by a Party of a failure by the other Party to perform any provision of this Agreement operates or is to be construed as a waiver in respect of any other failure whether of a like or different character.

25. AMENDMENTS

Any variation or amendment of this Agreement (or of any of the documents referred to in it) is valid only if it is in writing and signed by or on behalf of each Party.

26. INVALIDITY

Each of the provisions of this Agreement is severable. If any provision is held to be or becomes invalid or unenforceable in any respect under the law of any jurisdiction, it shall have no effect in that respect and to that extent, and the Parties shall use all reasonable efforts to replace it in that respect and to the extent necessary with a valid and enforceable substitute provision the effect of which is as close as possible to the intended effect of the original clause.

27. NO PARTNERSHIP OR AGENCY

Nothing in this Agreement (or any of the transactions contemplated by it) is or shall be deemed to constitute a partnership between the Parties nor, except as may be expressly set out in it, constitute either Party the agent of the other for any purpose. Unless the Parties agree otherwise in writing, neither of them shall (i) enter into any contracts or commitments with third parties as agent for the Parties or for the other Party or (ii) describe itself as such an agent or in any way hold itself out as being such an agent.

28. NOTICES

28.1 Notice Requirements

Any notice in connection with this Agreement shall be in writing, in English and delivered by hand, fax, registered post or courier using an internationally recognised courier company. A notice shall be effective upon receipt and shall be deemed to have been received (i) at the time of delivery, if delivered by hand, registered post or courier or (ii) at the time of transmission if delivered by fax, provided that in either case, where delivery occurs outside Working Hours, notice shall be deemed to have been received at the start of Working Hours on the next following Business Day.

28.2 *Addresses*

The addresses and fax numbers of the Parties for the purpose of this agreement are as mentioned in the Lease Schedule for the Lessee and in the Master Lease Agreement for the Lessor or such other address and fax number as the Parties may provide to one another from time to time for purposes of this Agreement.

27.3 Short Message Service

The Lessor may (but not obliged to) send short message service (SMS) to the Lessee intimating any information related to the lease under the Agreement and the Lease Schedule. The Lessee and the Guarantor hereby specifically authorizes the Lessor to make such calls or send SMS or emails to their contact details provided to the Lessor, and further acknowledges that the same shall not be considered as unsolicited calls/SMS/mails from Lessor

29. CALCULATIONS AND CERTIFICATES

29.1 Accounts

In any litigation or arbitration proceedings arising out of or in connection with this Agreement, the entries made in the accounts maintained by the Lessor are *prima facie* evidence of the matters to which they relate.

Annexure 1A {Applicable for IT Equipments}

Use & Return Conditions IT Equipments (incl. all modules, components, tools, software and documentation), in the following determined as the “Equipment“.)

A) Equipment Use & Maintenance Conditions

I) General

II) Use of the Equipment

- b) No alterations or modifications shall be made to the equipment without prior written approval by Lessor. Software updates, bug fixes and comparable works required to keep the equipment in working order or to ensure that the equipment complies with any legal requirements are not regarded as equipment alterations or modifications.
- c) The lessee makes all necessary replacements and proper repairs (using manufacturer accepted procedures) to cause the equipment to conform to the condition required. Lessee will replace all parts of the equipment that become worn, lost, stolen, destroyed or damaged beyond repair from the original manufacturer.

III) Maintenance, Repair and Test/Audit Works

- a) N/A

B) Equipment Return Process & Conditions

I) Condition Reports & Deficiencies

- a) The Lessee shall ensure that the manufacturer or an authorized expert (or upon request of Lessor an expert named by Lessor) will perform a final inspection of the equipment and will compile a written condition report at least 20 Business Days prior to the return of the equipment. The costs will be born by the Lessee if they do not exceed 2% of the original equipment value. If the costs will exceed such amount, Lessee shall notify Lessor hereof without undue delay and before such final inspection will take place and Lessor and Lessee shall in good faith agree on the sharing of these excess costs. For the avoidance of doubt, if and to the extent that excess costs are due to the equipment being not in a condition of fair wear and tear, such excess costs shall be borne by Lessee.
- Prior to deinstallation and return of enterprise servers, mainframe servers and storage equipment the equipment shall be inspected and checked for completeness by an authorised specialist at the Lessee's cost in accordance with any manufacturer's specifications and requirements.
- If the equipment is any kind of server equipment a printout of the configuration has to be made by the Lessee prior to deinstallation and return and this printout is to be returned together with the equipment.
- In case the equipment is a printer / copier / MFD shall apply:
- Prior to deinstallation and return of equipment (but not more than 15 days prior) Lessee is to print a self diagnostic printout which shows the date, number of pages printed, fill level of toner and serial number of the equipment. This printout is to be returned together with the equipment.
- Prior to deinstallation and return of equipment lessee must ensure that the Equipment is unlocked and free of any password or any other similar disabling device which prevents the Equipment from being used. This includes but is not limited to BIOS, security and administrator passwords and passwords for an encryption of the HDD (hard disk drive), etc. Any (physical) keys must also be returned together with the equipment.
- b) Lessee is responsible that deficiencies are repaired before the equipment is returned to Lessee. If the return of the equipment is delayed due to such repair works or due to other reasons which are not within the sphere of Lessor, Lessee shall pay to Lessor an amount equal to the agreed lease installments for the time period between the expiry of the lease and the return of the equipment to Lessor (dispatch of equipment by Lessee). The right of the Lessor to claim further damages shall not be affected hereof.

II) Minimum Standards & Condition for the Returned Equipment

- a) All equipment shall be returned in a complete and fully operational way fair wear and tear expected and all maintenance and

repairs shall have been made in accordance to the applicable manufacturer standard. The equipment shall be operating fully and in all modules in accordance with the manufacturer's specification at time of delivery and shall be ready for immediate reuse.

b) This includes but is not limited to a status of the equipment as follows:

i) All but not less than all of the Equipment must be returned. This will be completed only with all foundation bolts and mounting

accessories, spare parts, filters, consumable items material to the operation of the Equipment, all cabling, certificates and other instructions or written material which appertains to the Equipment as the equipment was originally delivered to the Lessee.

iii) All items/aggregates/modules of the equipment shall be thoroughly clean

iv) All Lessee installed markings except property tags, labels or other devices etc. from Lessor which are not necessary for the

operation, maintenance or repair of the equipment shall be properly removed.

v) All Equipment and Equipment operations conform to all applicable local, state, and federal laws, health, safety and security guidelines, which may be in effect at the time of return.

vii) In case the equipment runs any software which was also financed under the lease (i.e. as opposed to a software license the acquisition of which Lessee has not financed under the lease) the Lessee shall ensure that the Lessor or a potential third party can directly access and use the software.

This includes that all software products must also be returned complete (including all upgrades concerned, all original software license cards, storage media (e.g. CD-ROMs, DVD-ROMs, etc.), all original manuals, and intact Certificates of Authenticity (COA) and/or any other evidence of authenticity.

Any necessary passwords or other codes shall be returned and Lessee shall ensure that all other requirements of the manufacturer to enable an alternate user/purchaser of the Equipment to enjoy all rights and privileges as would the original purchaser of the equipment directly from the manufacturer are fulfilled; every software (installation-) code or upgrade code, software dongle etc. which was supplied with the equipment shall be returned.

viii) In case the equipment stores any data (e.g. customer data, patient data, etc.) the lessee shall professionally erase all data of any storage media of the equipment according US-Department of Defense standard (US-DOD), so that no data recovery is possible.

c) Deinstallation & Packaging

De-installation, packing and shipment is to be performed by the Lessee, at its sole risk, cost and expense, in accordance with any manufacturer's specifications and requirements. A detailed packing list and a deinstallation report have to be made and transferred to the Lessor. Lessee shall ensure that these works are performed in accordance with the latest manufacturer standard.

With respect to medical equipment, enterprise servers, mainframe servers and storage equipment the deinstallation, rigging, packing/crating, transport shall be performed by the manufacturer or by an expert authorized by the manufacturer to perform these works at cost of Lessee. This shall also apply with respect to all other equipment upon request of Lessor.

If the equipment is a printer / copier / MFD toner cartridges have to be returned leak-proof packaged separately from the printer / copier / MFD. In case the equipment (e.g. Tape Libraries) uses tapes or cartridges for data storage (e.g. DLT tape, etc) which have been financed, these tapes or cartridges are to be returned or to be replaced adequately by the lessee at his costs.

Any special transportation devices supplied with the equipment when new, must be re-used for shipping.

Blocking of sliding members; securing swinging doors, pendants, and other swinging components; wrapping, boxing, banding and labeling of all components and documents must be done in a conscientious and meticulous manner to facilitate the efficient reinstallation. All process fluids are to be removed from the equipment and disposed of in accordance with prevailing waste disposal laws and regulations. Sumps and tanks must be clean and dry. At no time are materials which would be considered "hazardous waste" by any regulatory authority to be shipped with the equipment. All internal fluids such as lube oil and hydraulic oil are to be filled to operating levels. Filler caps are to be secured and disconnected hoses are to be sealed to avoid spillage.

d) Equipment Return Location & Surrender

ii) All permits, approvals, permissions, and/or freight forwarder fees, without limitation, associated with return of Equipment to the designated return location shall be the responsibility of the Lessee.

e) Handover of the documentation

Additional to the equipment as detailed above the Lessee shall provide or cause the vendor(s) or manufacturer(s) to provide Lessor at time of return all documents received at supply or originated during the use of the equipment, such as operational and maintenance records, maintenance agreements, instruction and operating guides and manuals, etc..

Proper return of the equipment shall not be deemed to have occurred unless and until the equipment, including all documentation and software (if applicable) meets all terms and conditions of the lease, and these Use & Return Conditions.

f) Insurance

The Lessee shall obtain and pay for insurance coverage against the risks of theft, destruction, loss, fire during deinstallation, packaging and transport of the equipment to the designated location in an amount equal to the replacement value of the equipment. Lessor shall be named as the loss payee on the respective policies. Upon request of Lessor Lessee shall provide Lessor with a confirmation of the insurance from the insurer.

Annexure 1B {Applicable for Non-IT Equipments}

Use & Return Conditions- non IT Equipments (incl. all modules, components, tools, software and documentation), in the following determined as the “Equipment“.)

A) Equipment Use & Maintenance Conditions

I) General

a) On request of Lessor, Lessee shall without undue delay forward all documentation, (such as specification, equipment description, photos, serial number,) which is necessary for the clear or one-to-one identification of Lessor’s equipment to Lessor.

On request of Lessor, Lessee shall cooperate with Lessor at its own costs and shall provide the lessor with all necessary documentation (such as the motor vehicle registration certificate) required in order to enable Lessor to register ownership, or proof its ownership to, the authorities and to protect Lessors title of the equipment.

II) Use of the Equipment

a) The Equipment must not be operated in an environment, which would be detrimental to the condition of the equipment. All equipment shall be used for its designated purpose only and in accordance with the business activity of the Lessee.

b) No alterations or modifications shall be made to the equipment without prior written approval by Lessor. Software updates, bug fixes and comparable works required to keep the equipment in working order or to ensure that the equipment complies with any legal requirements are not regarded as equipment alterations or modifications.

c) The lessee makes all necessary replacements and proper repairs (using manufacturer accepted procedures) to cause the equipment to conform to the condition required. Lessee will replace all parts of the equipment that become worn, lost, stolen, destroyed or damaged beyond repair from the original manufacturer.

Further Lessee is responsible for the cost of alterations, storage charges, insurance costs, demonstration costs, and other related costs necessary to place the equipment in such condition as to be in compliance with the lease schedule.

III) Maintenance, Repair and Test/Audit Works

a) The Lessee shall ensure that all services, maintenance & audit/test works & procedures take place within the relevant time

frames in accordance with the manufacturers recommendations and/or the requirements of the relevant authorities (if any) and at the end of the relevant recommended tolerances the latest. All such works shall be carried out at the Lessees’ costs . Lessee shall compile appropriate documentation about maintenance-, service-; audit- and test works (e.g. in the form of an “equipment logbook”) performed. All documents containing prove of the relevant intensity of usage volume, such as hours, kilometers, prints, scan seconds etc. shall be presented to Lessor at any time and without undue delay at Lessor’s request. Lessee will ensure that all maintenance services are provided either directly by the manufacturer or by a service provider authorized by the manufacturer to provide such services.

In case of Medical Equipment: Maintenance is obligatory, performed by a subcontractor (empowered by lessor) at cost of lessee.

b) All (service and repair etc.) works shall be executed in accordance with all manufacturers and/or authority guidelines and recommendations. This shall also apply for any calibration, decontamination, electrical, hygienic and other works & tests as well as software bug fixes and upgrades, which are necessary to ensure that the equipment will be in operating order and a fair wear and tear condition.

B) Equipment Return Process & Conditions

I) Condition Reports & Deficiencies

a) The Lessee shall ensure that the manufacturer or an authorized expert (or upon request of Lessor an expert named by Lessor) will perform a final inspection of the equipment and will compile a

written condition report at least 20 Business Days prior to the return of the equipment. The costs will be born by the Lessee if they do not exceed 2% of the original equipment value. If the costs will exceed such amount, Lessee shall notify Lessor hereof without undue delay and before such final inspection will take place and Lessor and Lessee shall in good faith agree on the sharing of these excess costs. For the avoidance of doubt, if and to the extent that excess costs are due to the equipment being not in a condition of fair wear and tear, such excess costs shall be borne by Lessee.

The final condition report shall be forwarded to the Lessor and received by Lessor 15 business days prior to the return of the equipment at the latest.

b) Lessee is responsible that deficiencies are repaired before the equipment is returned to Lessee. If the return of the equipment is delayed due to such repair works or due to other reasons which are not within the sphere of Lessor, Lessee shall pay to Lessor an amount equal to the agreed lease installments for the time period between the expiry of the lease and the return of the equipment to Lessor (dispatch of equipment by Lessee). The right of the Lessor to claim further damages shall not be affected hereof.

II) Minimum Standards & Condition for the Returned Equipment

a) All equipment shall be returned in a complete and fully operational way fair wear and tear expected and all maintenance and repairs shall have been made in accordance to the applicable manufacturer standard. The equipment shall be operating fully and in all modules in accordance with the manufacturer's specification at time of delivery and shall be ready for immediate reuse.

b) This includes but is not limited to a status of the equipment as follows:

All but not less than all of the Equipment must be returned. This will be completed only with all foundation bolts and mounting accessories, spare parts, filters, consumable items material to the operation of the Equipment, all cabling, certificates and other instructions or written material which appertains to the Equipment as the equipment was originally delivered to the Lessee.

For a period more than 90 days	NPA

***Upgradation of accounts classified as NPAs**

Account once classified as NPA can be upgraded as standard only after entire arrears of rental, interest and any other amount are paid by the Lessee.

Illustration for Classification of Account as SMA/NPA for easy reference:

If Due date of a account repayment is April 05, 202X, then indicative SMA/NPA classification shall be as follows:

Overdue period of Rental / Interest / Any other amount	SMA/NPA Classification SMA/NPA Classification date Category	SMA/NPA Classification date
Upto 30 days	SMA-0	April 05, 202X
More than 30 days and upto 60 days	SMA-1	May 05, 202X
More than 60 days and upto 90 days	SMA-2	June 04, 202X
Over 90 days	NPA	July 04, 202X

If due date of a account is April 05, 202X, and full dues are not received by the Lessor on or before this date, the date of overdue shall be April 05, 202X and this account shall be **tagged as SMA-0**.

If the account continues to remain overdue then this account shall be **tagged as SMA-1** on May 05, 202X i.e. upon completion of 30 days of being continuously overdue. Accordingly, the date of SMA-1 classification for that account shall be May 05, 202X.

If the account continues to remain overdue, it shall be **tagged as SMA-2** on June 04, 202X i.e. upon completion of 60 days of being continuously overdue. Accordingly, the date of SMA-2 classification for that account shall be June 04, 202X.

Similarly, if the account continues to remain overdue further, it shall be classified as **NPA** on July 04, 202X.
