

LEGEND

Quick-Change Hopper

Woodworking | Metalworking

Say goodbye to changing bags & lost production time.

The Legend Quick-Change Hoppers create a **sure seal** against the Legend Baghouse, optimized for **XL waste capacity**.

Perfect for:

- Industrial factory settings
- Metalworking
- Wood shops

For use with the 10 & 15 HP Legend Open Baghouses (shown below)

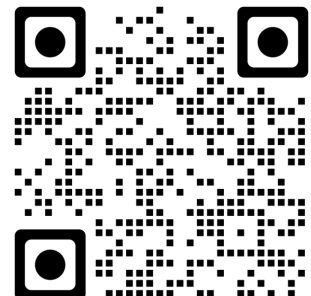

Features

- The equivalent of **6 baghouse bags** of volume
- Built with rugged 10-gauge steel
- Powder-coated for durability
- Slide door for easy dumping
- Forklift pockets

Capacity	Size	Max Load
1.02 cu. yds	60" wide 44 1/8" long 33" tall	up to 1.02 cu. yards

1.25" clearance from top plane of the hopper itself to bottom plane of the baghouse to allow seal clearance and floor deviations.
Min of 90 PSI working pressure; max pressure = 145 PSI
Max temp = -14 to +122° F

1-year warranty for material defects and workmanship is provided from the date of manufacture for all fabricated items.
