Major Works

05.2024–08.2024 Art Center
JPL Rebrand
Rebranded JPL's identity, working on everything from the logo to brand voice, environmental design, physical items, and more.

05.2024–08.2024 Art Center
where do you belong?
A title wall project for a Wolfgang Tillmans exhibition, inspired by his unique installation style and utilizing a beam projector.

09.2024–12.2024 Art Center
Five Guys Rebrand
A Five Guys identity rebranding project, featuring work on the logo, brand voice, logo animation, packaging, and more.

01.2025–04.2025 Art Center
Auro
Designed a smart meal-planning system, Auro, that leverages AI and AR to generate personalized recipes based on users' health data and real-time fridge inventory.

01.2025–04.2025 Art Center
The Growing Decay
Created a data-driven typographic visualization using p5.js, transforming 32 years of global ocean heat data into generative motion that visually reflects climate change intensity.
