THE BUSH INN ETHOS

Being a rural pub in this beautiful part of the world, we strive to source as many local ingredients from the land around us. We pride ourselves in using quality local produce wherever possible with all of our eggs, dairy, poultry, beef, pork, lamb and potatoes coming from local suppliers in North Cornwall, some of which are farmers from here in Morwenstow. We even have our own herd of beef cattle situated just half a mile down the coastline.
