Position your business to win corporate opportunities.

We're selecting **12 high-potential professional services businesses.**

Will yours be one of them?

Supplier Excellence is a 6-month accelerator, led by Bpeace and sponsored by PwC US.

With a built-in network providing expertise and support, a select group of leaders turn potential into performance – and growth into opportunities.

What You Will Gain:

- Receive tailored, industry-informed support focused on real operational results
- Engage in deep dives, live sessions, and tailored advisory
- Access tools, peer learning, and a built-in network
- Build your pitch deck—and the confidence to deliver it

Led by professionals volunteering within the Bpeace network (Skillanthropists):

JAMES JONES

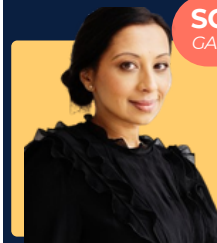

The JKT Financial Group, LLC

20+ years of expertise in C-level and asset management, streamlining operations and successfully negotiating supplier contracts.

SONALI VANJANI
