

Elevate your career with the Executive & PA Network community

Our mission and vision: empowering EAs and PAs

Founded to support Executive and Personal Assistants, the Executive & PA Network aims to **create a community where professionals can connect, share knowledge, and grow in their careers**. Our mission is to empower EAs and PAs by providing access to unique resources, high-level training, and valuable networking opportunities.

Milestone

2018

Executive & PA Network launched by a small group of visionary professionals in Western Switzerland

2024

A year defined by our strategic rebrand and the launch of our mentoring programme.

2025

A milestone year marked by our association status and website launch, reinforcing our position as a leading EA & PA network.

Our values & foundations

Our values and foundations are rooted in **collaboration, education, growth, and diversity**.

Our commitment

At the Executive & PA Network, our commitment is to uplift, inspire, and facilitate growth for Executive and Personal Assistants. We provide essential tools, resources, and opportunities to help our members thrive. Through engaging events, innovative practices, and meaningful connections, we support professional and personal development.

What we offer

Events

Our events are designed to inspire, connect, and empower Executive and Personal Assistants with cutting-edge insights, skills, and networking opportunities to drive your career forward.

Conferences

Hear from industry leaders, motivational speakers, and experienced professionals sharing actionable advice and real-world expertise. Our conferences are thoughtfully curated to address the evolving needs of Executive and Personal Assistants.

Networking community & resources

Our networking community offers Executive and Personal Assistants a unique space to connect, share insights, and collaborate with like-minded professionals. Join our vibrant community to access a comprehensive database of trusted contacts, including hotels, restaurants, event agencies, and more.

Mentoring programme

Our mentoring program empowers members to grow both personally and professionally by connecting with experienced mentors, while also offering the opportunity to become a mentor through our specialized coaching program.

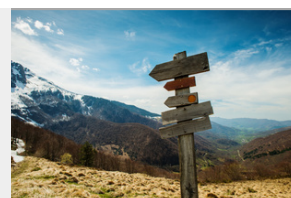

Trainings

Our training offering provides members with access to expert-led courses from our trusted partners, empowering them to enhance their skills, elevate their performance, and stay ahead in their profession.

Job board

Our exclusive job board provides members with access to a curated selection of premium job offers and career opportunities tailored specifically for Executive and Personal Assistants.
