

## **SURF**

SURF by VIVES is a versatile complement that fits naturally into all contemporary spaces. SURF was created to complement with it being a supplementary decorative tile for many of the collections in the VIVES extensive catalogue, allowing you to bring your most ambitious and creative projects to life. If you can imagine it, with Surf you can create it.

- SURF consists of a 32x99cm wall tile in light and luminous colours with a variety of decorative nuances.
- A wide variety of small pieces in 2x23cm and 23x33.5cm are available for tiling the undulating walls so prevalent in current interior design. SURF offers diverse options with a contrasting aesthetic range: an extensive selection of single colours in both matt and gloss finishes, handcrafted pieces with striking reactive glazes, traditional terracotta, and luxurious gold and silver finishes.
- Two porcelain formats complete SURF; A 20x20cm and a 30x30cm tile that appears to be a 10x10cm, along with geometric prints of renewed classic elegance and a colour palette that complements the wall coverings in the series.

Surf by VIVES is an ingenious collection designed for a rebellious and daring audience, with a youthful spirit and a nostalgic eye.
