

# EARLY CHILDHOOD SUPPORTS AND SERVICES (ECSS)

## About the Program

Free, family-centered support for children ages 0–5 experiencing:

- Behavioral or emotional challenges
- Trauma or stress
- Developmental delays

Our team helps families build healthy foundations through compassionate, evidence-based care.

## What We Offer

- Personalized family support plans
- Licensed mental health therapy
- Parenting education and coaching
- Referrals to local resources
- School readiness support

## Why Choose ECSS

- No-cost services for eligible families
- Trauma-informed, culturally sensitive care
- Families guide their own plans
- Collaboration with schools and community partners
