The Bi+ Equal Community membership and the General Meeting is the highest decision-making body, determining the general policy and direction of Bi+ Equal.

2. **The Board, appointed and accountable to Community members**

The Bi+ Equal Board (the *Committee* in Dutch administrative system) is the body that governs the organisation between General Meetings, providing overall direction, overseeing strategic implementation, supervising staff, and managing financial policy. Core responsibilities include strategic guidance, engaging with membership, formulating policies, financial oversight, and supporting the Executive Director.

The Board is appointed by the membership through elections and is composed of 5 (five) to 9 (nine) members. Every Board member can serve a maximum of 3 (three) consecutive mandates of 2 (two) years per Board member, to ensure both the learning curve and turnover at the Bi+ Equal Board.

Other supporting satellite entities, i.e. advisory board, consultants, working groups, etc. are created and appointed by the Board upon need and circumstances. The possibility of the creation of these satellite entities will be mentioned in the constitution (*statuten*).

3. **The Staff**

Bi+ Equal Staff's main purpose is to carry out the work defined in the strategic framework and annual work program, using methods like advocacy, capacity building, communication, litigation, and strategic partnership.

Description of the board positions:

- a. Chair: The Chair ensures the proper function of the Board, effective management of the organisation, line-manages and provides support and supervision to the Executive Director, represents the organisation and acts as legal representative of Bi+ Equal.
- b. Secretary: The Secretary often acts as an information and reference point for the Executive Director, Chair, and other Board members, clarifying past practice and decisions, confirming legal requirements, and retrieving relevant documentation.
- c. Treasurer: While the responsibility of financial management of the organisation lies mostly on the Finance Director and their department, the Treasurer has a watchdog role over all aspects of financial

management, working closely with other members of the Executive Board to safeguard the organisation's finances. 4. The provision of electing only 5 Board members during the first Elected Bodies General Meeting (to be held before April 8th 2026) - (provision nr 2)

Bi+ Equal Governance Team proposes to elect only 5 Board members in the first Elected Bodies GM.

Rationale: To secure a cycle of board members to be elected every year at the GM, we are now in the thinking process and refining a proposal to limit the number of Board members elected at the first Elected Bodies GM (which has to be held before April 8 2026), to:

- ensure the cycle of entering new Board members on the Board every year, to fill up the remaining empty seats, and work with those on their second year of mandate.
- starting with a smaller Board team who can put the main requirements of the organisation together and call for a GM later in the year, or within the next 12 months.

The Bi+ Equal project team will prepare a list of anticipated responsibilities of the first Board.
