## Article 1: Purpose and Legal Framework

Bi+ Equal is dedicated to ensuring that all individuals who engage with our organisation experience equitable, respectful, and inclusive treatment. Discrimination in any form contradicts our mission to advance human rights, equity, and belonging for bi+ people and all communities we represent. This policy outlines Bi+ Equal's commitment to preventing and addressing discrimination, and to fostering a culture where diversity, intersectionality, and inclusion are actively celebrated.

Bi+ Equal upholds all legal obligations prohibiting discrimination under Dutch and international law, including the right to equal treatment and dignity. Yet, we recognise that laws alone do not always capture the full range of harm or power dynamics experienced by bi+ people and other underrepresented groups. This policy, therefore, goes beyond compliance — it reflects our collective commitment to decolonised care, accountability, and safety in all Bi+ Equal spaces.

## Article 2: Scope

This policy applies to:

- Members of the Bi+ Equal Board & Satellite Entities
- Members of the Bi+ Equal Staff
- Community members (individual members and representatives of organisations and groups)
- Representatives of Partners of Bi+ Equal

- Any participants of events/spaces hosted by Bi+ Equal

It applies to all contexts where Bi+ Equal operates, both online and offline.

bi+ people in pan-European region, through community building, advocacy, awareness raising and knowledge sharing.

Bi+ Equal honors the diversity of lived experiences in relation to power and acknowledges intersectional privileges, challenges, and all forms of intersectional oppressions. We position ourselves as an anti-racist, intersectional feminist, trans and gender diverse inclusive organisation.
