FOR IMMEDIATE RELEASE
Five Rivers Health Centers
Ribbon Cutting Ceremony for New Xenia Campus

Xenia, Ohio—Five Rivers Health Centers ribbon cutting ceremony and grand opening for its new Xenia Campus will be held on Thursday, April 9, 10:00 a.m., at 34 S. Allison Street, Xenia.

“Five Rivers Health Centers is thrilled to officially open its new health center in the Xenia community. The Xenia Campus will eliminate previous logistical barriers by being a comprehensive health care facility for patients of all ages – a “one-stop” shop.” said Gina McFarlane-El, CEO. “Most importantly, the Xenia Campus provides individuals in the Greene County area with access to medical, dental and behavioral health services.” The new site, in the former Rite-Aid building, also offers an in-house pharmacy and podiatry care.

Five Rivers Health Centers has consolidated services and programs from the former Star Pediatrics office on Second Street and the Greene County Health Center, formerly housed in the Greene County Public Health facility. Xenia Campus is now accepting new patients and is open to anyone seeking primary care, regardless of their ability to pay.

The ribbon-cutting and grand opening will be the community’s first chance to see the interior of the health center and provide the public with an opportunity to meet the staff and providers. The event will also feature a local community art project where those attending will be encouraged to place a mosaic tile in a special piece of art (to be installed soon) designed by The Mosaic Institute’s Jes McMillan

Five Rivers Health Centers is a non-profit, Federally-Qualified Health Center (FQHC) committed to increasing access to quality, comprehensive and respectful care for our patients and community.
