Whakaora Koti supports whānau in the Justice System, to help them to be heard and understood so they can be responsible for the care and wellbeing of their whānau

Our Kaiāwhina and Kaiārahi can help you:

- Understand the language, processes, and outcomes of Court proceedings
- Where appropriate, access out-of-court services and support in the community
- Remain engaged and involved with whānau

Whakaora Koti is a whānau centric initiative that is delivered by Ngāti Porou Oranga to support whānau through the court process and assess their needs based on the whānau voice

All information that you share with kaimahi will remain confidential, in accordance with the Privacy Act 2021

The service is free, but we do not give legal advice
