PROFILE

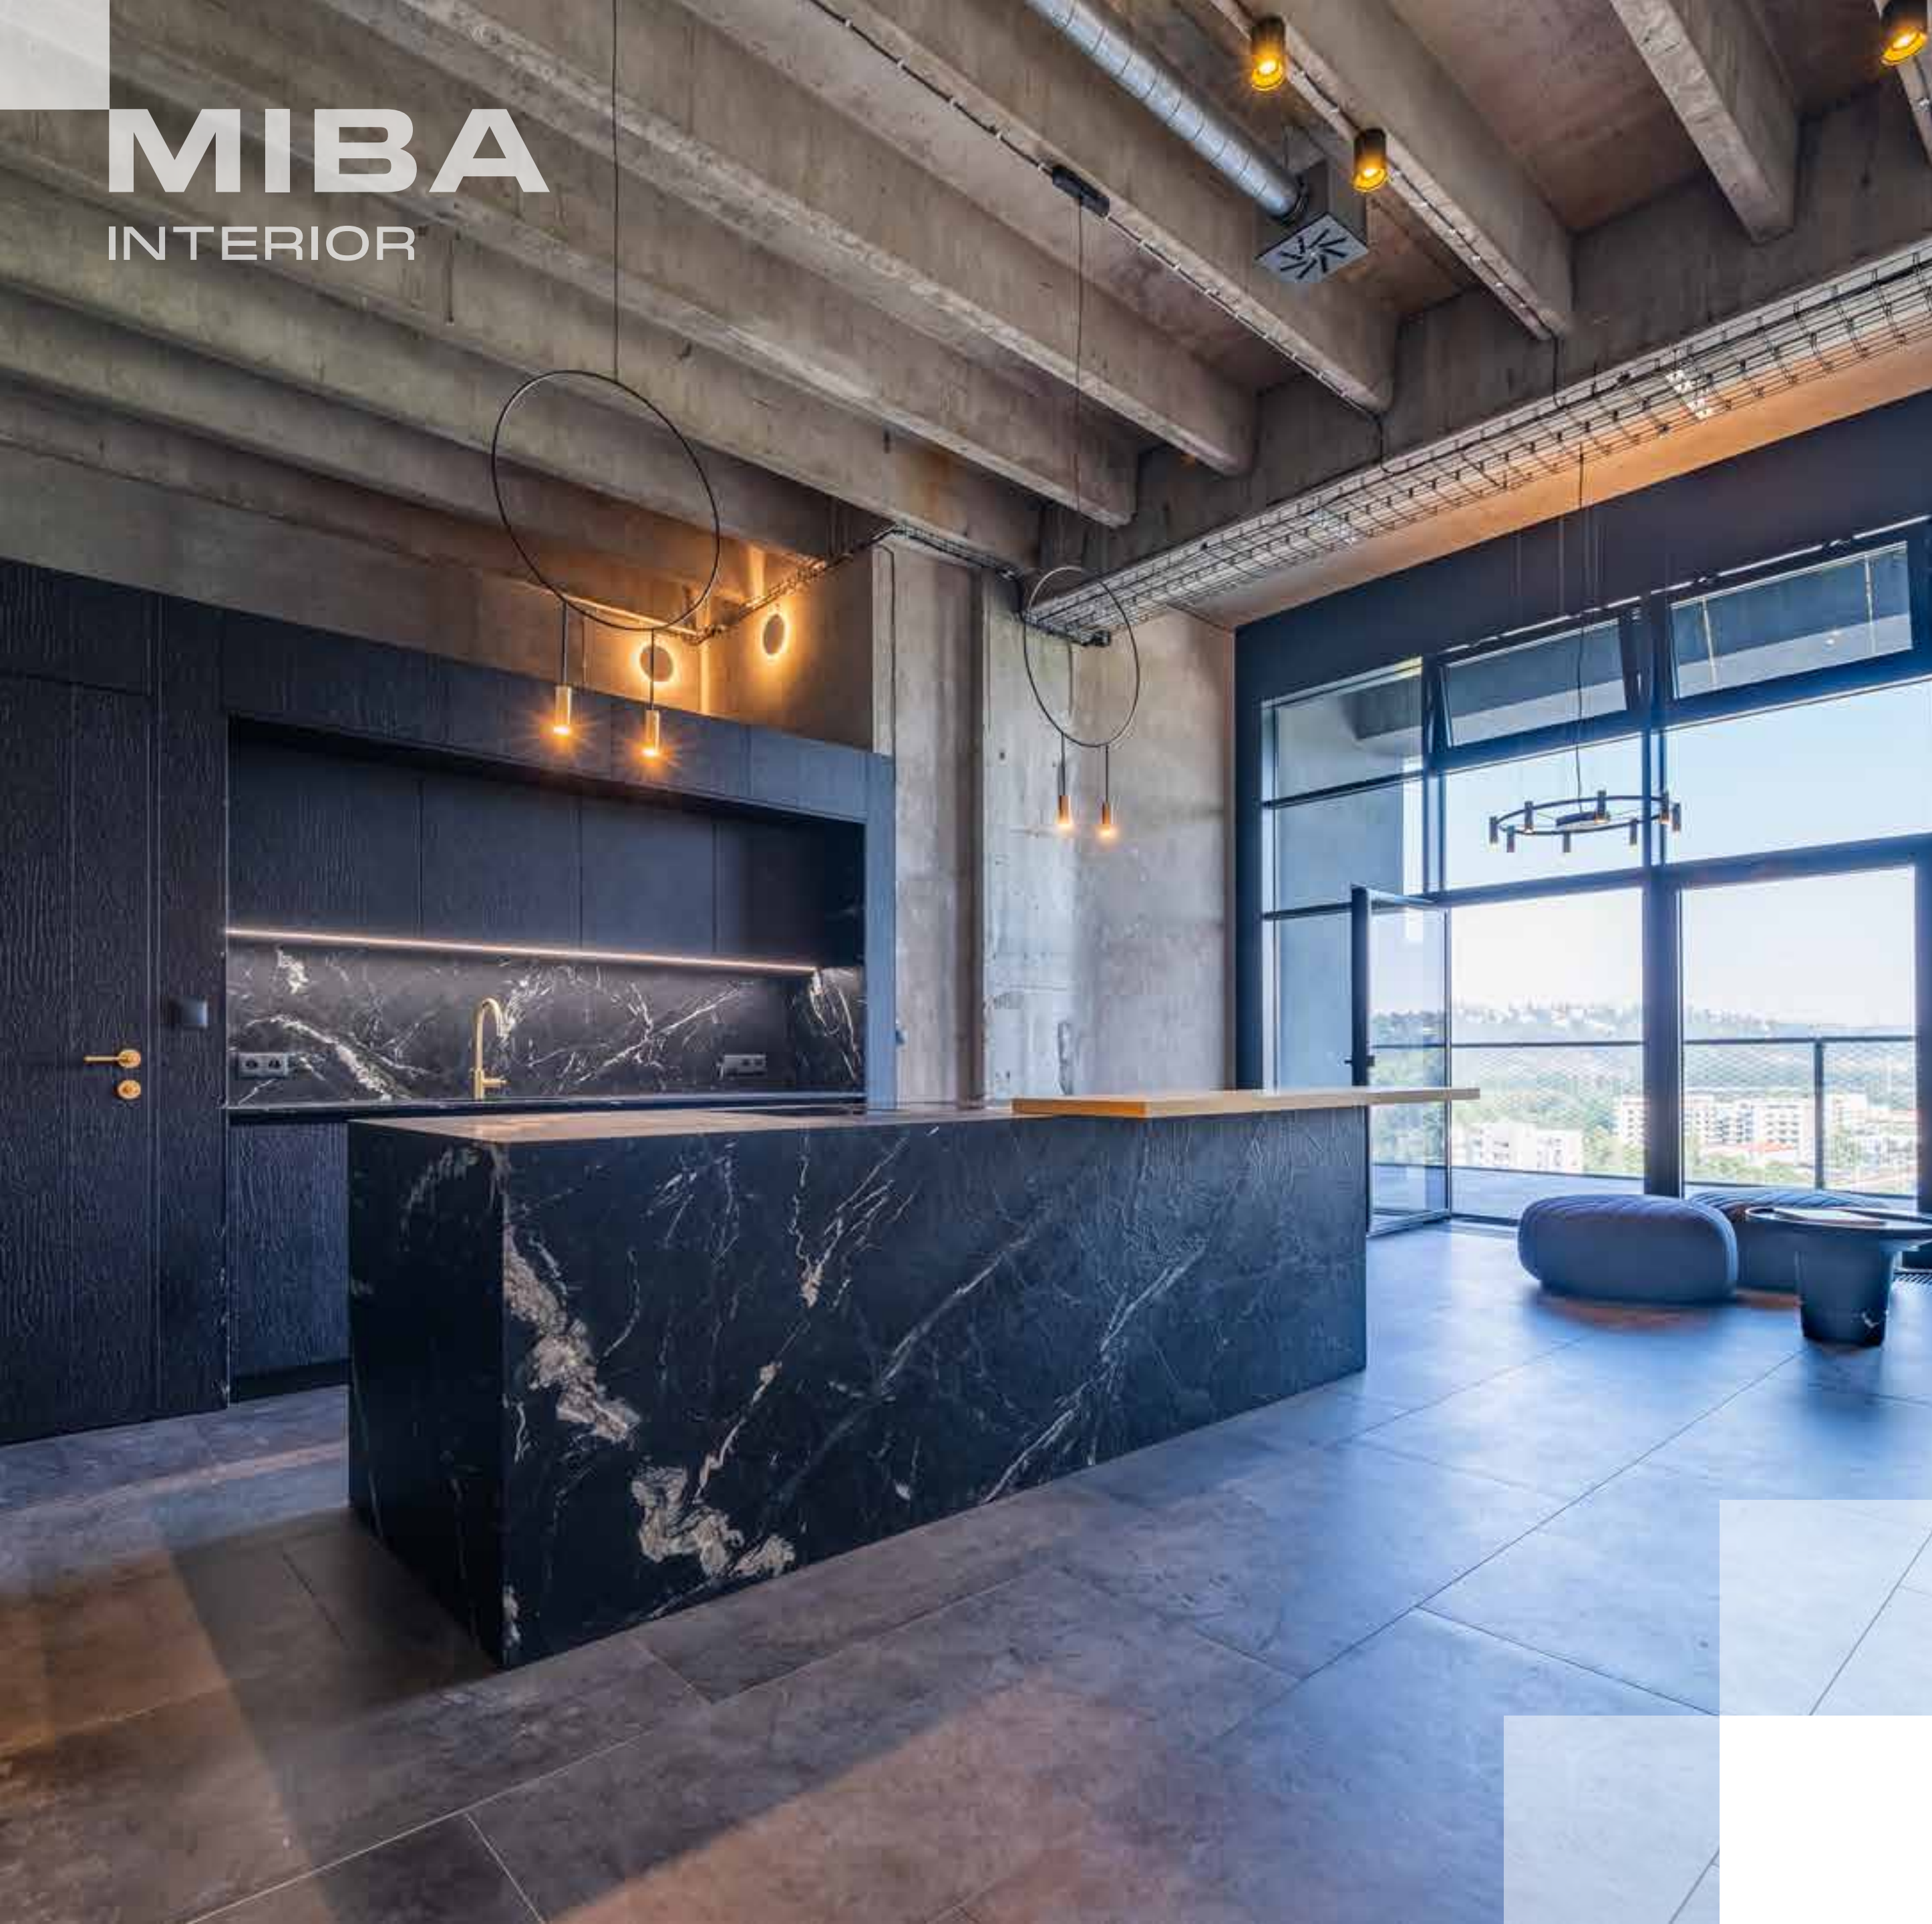

MIBA
INTERIOR

We have been fulfilling
your interior dreams for

30

years

A modern industrial interior featuring a dark wood kitchen island with a marble countertop, large windows offering a city view, and a concrete ceiling with exposed pipes and track lighting. The space is minimalist and functional, with a mix of natural and artificial materials.

MIBA
INTERIOR

We design and build
complete turnkey
interiors for you,

covering everything from flooring
and furniture to accessories. We transform
ordinary spaces to meet your highest
standards and reflect your vision.

A man with dark hair and a beard, wearing a black t-shirt with the MIBA logo, is focused on his work. He is using a yellow-handled tool to work on a wooden surface. The background is blurred, showing a workshop or factory setting. The MIBA logo is visible on his t-shirt and in the top left corner of the image.
