

Experience the *Templiers adventure* as a team

❖ A bespoke teambuilding experience

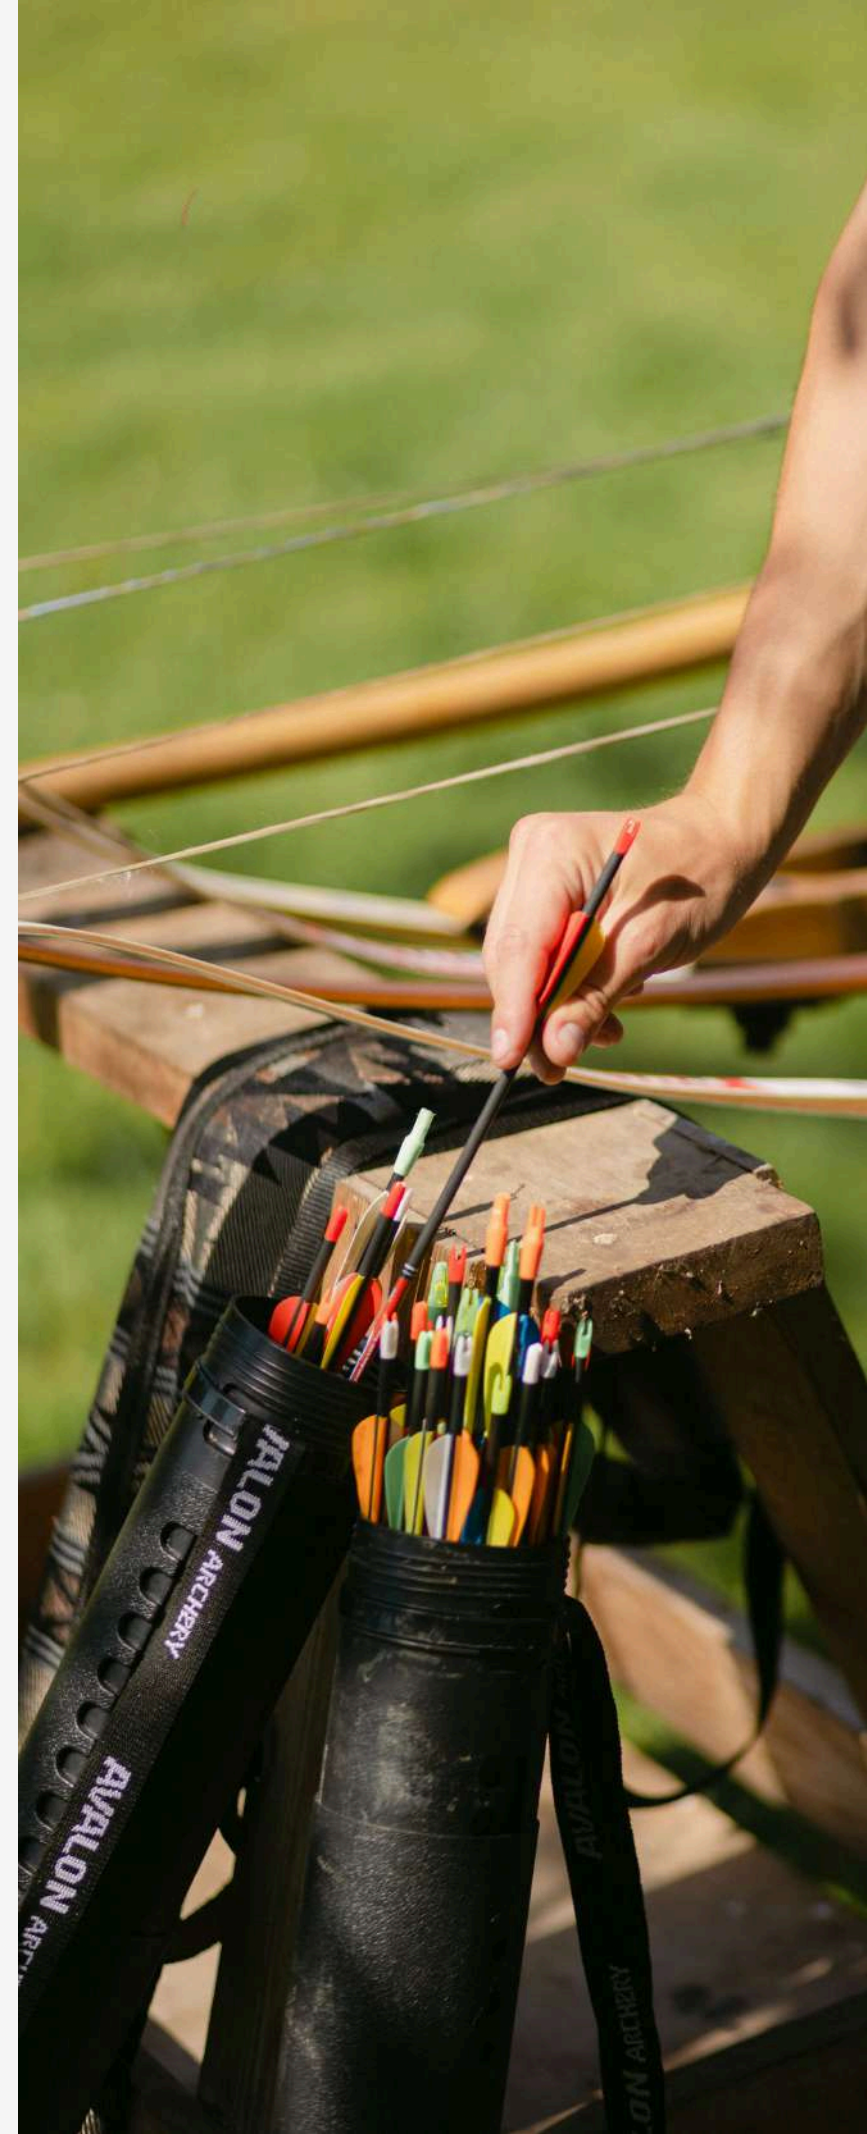

Fun, interaction and learning are the key elements of this unique and immersive experience at the heart of the Templiers.

Immersed in the mysterious world of the Templiers, your teams will set out in search of the Grail, guided by a Road Book.

Reflection, precision, creativity, and cooperation will be put to the test through a variety of challenges, all within a flexible historical setting. On the Templiers' estate, everything is taken care of: flexible logistics, turnkey options, and facilitation tailored to the size of your group.

Each squad will need to uncover the secret of the Codex of the commandery of Wavre by overcoming a series of initiatory trials. Your strengths? Courage, loyalty, justice, and humility will guide you in completing this collective journey.

The Quest has been specially designed for our estate to offer an immersive, original, and bespoke experience.

❖ Initiatory Challenges

Take on initiatory challenges crafted by the Masters of the Temple to test your mind, courage, and the bonds of your team as you strive to unlock the secrets of the Codex.

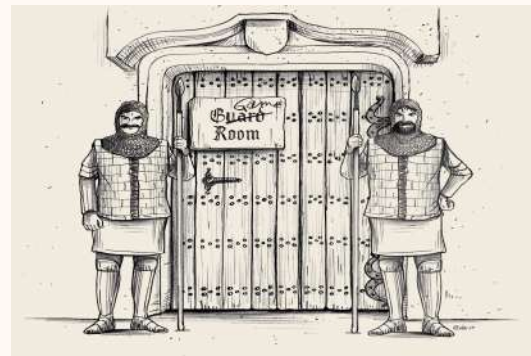

Sacred Fire

He who carries the fire without being consumed can carry the truth without betraying it.

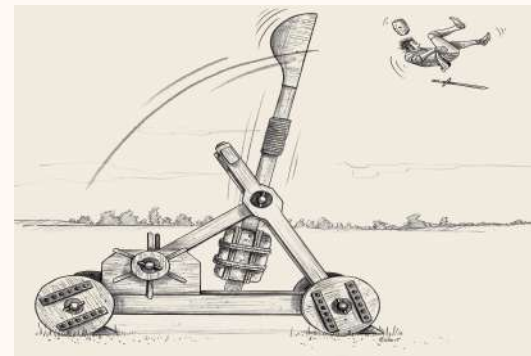

Games of the People

Where iron divides, wood unites.

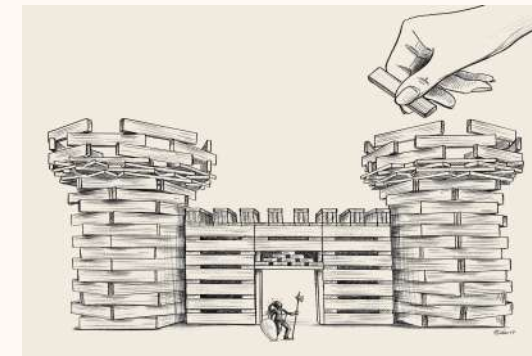

Judgement of the Seats

He who brings down walls opens the way to hidden secrets.

Sacred Citadel

Those who know how to build without war are worthy of finding refuge within.

The Eternal Image

What the sword does not speak, the image shouts across the centuries.

Judgement of Iron

He who strikes without anger but with justice brings down the walls of pride.

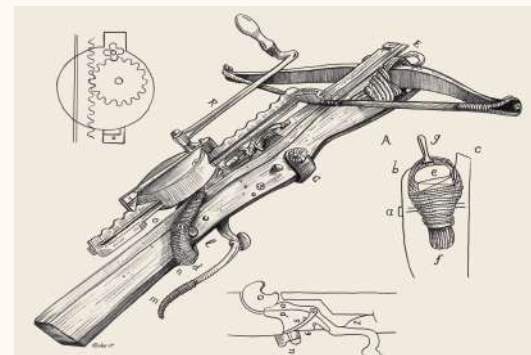

Sacred Gaze

He who sees beyond the target strikes at the heart of his own truth.

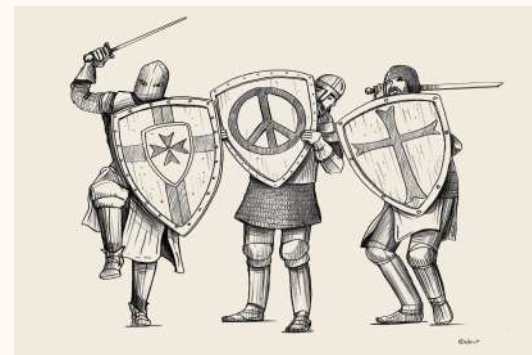

Silent Cross

When tension is perfect and silence absolute, the arrow reaches what words dare not aim at.

Forgotten Weapons

Those who forge their weapons forge their destiny.

Hypocras

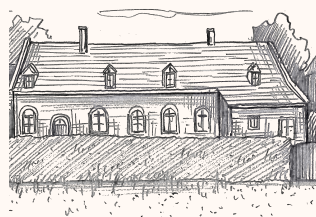

The fire in the cup mirrors the fire in the heart.

❖ Iconic Locations

Throughout the Templiers' Estate, discover iconic sites steeped in history.

The Sergeant's House

Refuge of the strategist and birthplace of early alliances, this cosy 1739 building offers a terrace perfect for plotting conquest.

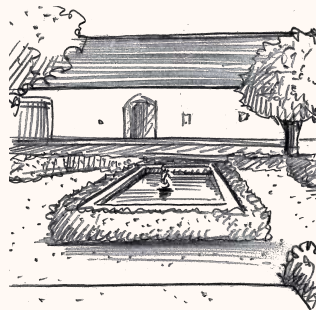

The Pirsch

A former watch post, this spot invites observation and silence. Ideal for stealth missions.

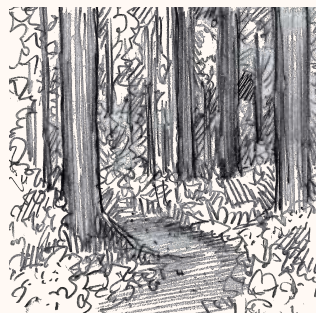

The Chapel

The sacred heart of the estate. Its heraldry and Gothic stained glass bear witness to a glorious past. Here, every challenge becomes a rite of initiation.

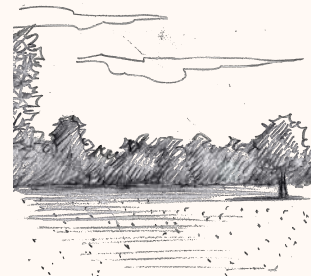

The Courtyard

The estate's central hub, paved and tranquil, housing a basin that mirrors the passions and strategies of each confraternity.

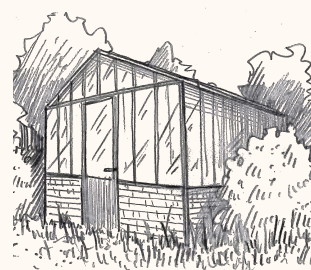

The Wood

Dense, mysterious, and perfect for ambushes. One must venture here with caution... and as a team.

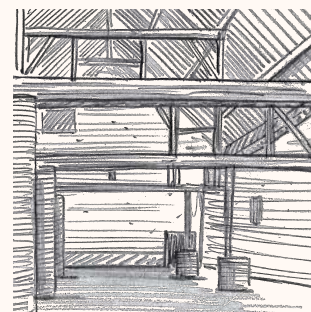

The Plain

An open territory, a stage for bravery and speed. No place to hide, only the boldest will shine here.

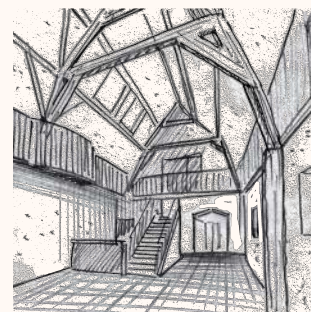

The Greenhouse

Beneath its tranquil exterior lies an enigmatic underground chamber, echoing with mystical whispers... A must-visit for trials of faith.

The Hayloft

A majestic barn with ancient beams, the perfect setting for large constructions or collective strength challenges.

The Guardroom

A place for preparation and confrontation. Here, knights are forged: rigour, precision, and discipline.

The Well

Discreet and steeped in mystery, the Well stands as a relic of the past. Surrounded by stones worn by time, it evokes the ancient legends of the Order. Every gesture counts at the Well.

Set out to discover a secret, timeless world.

We await you to uncover the secrets of the Codex through the clues you gather. And let none forget: those who walk together, fight together... remain bound forever. For beyond the game, it is the spirit of Brotherhood that prevails.
