

Do you not have dental insurance?? We can help.

We would like to introduce to our fine family of patients, and all new patients, a program called **Smile Care.**

We would love to share with you, this new program, our office is offering. In this day and age, there are a lot of individuals and families who do not have dental insurance. The need for coverage assistance is great and we wanted to do our part insuring that you get the needed care you deserve.

Introducing "**Smile Care**"! This is a dental assistance program designed to provide your family with the dental care you need at significant savings. Here are some of the benefits:

- A year's worth of preventative dental care
- Care for your entire family
- Added savings of 20% off on all other needed dental treatment that is treatment planned with your Doctor. Treatment must be paid for at time of service to be valid.
- Other amazing Specialists found in our area are also participating in our plan (see attached sheet for that list)

We don't want you to forget about your smile or stop coming in for your bi-annual cleanings because your insurance has been canceled or non-renewed. We want to continue to serve you with your dental care and offer you this savings!
