border processing of information, data sharing with international group companies or for the purposes of cloud, back up and other data storage requirements. Where countries may not have the same or higher data protection laws as South Africa, the Company will only transfer the information if we have consent of the data subject, or if it is necessary for the performance or conclusion of a contract between the Company and the data subject.

14 PERSONAL INFORMATION SECURITY MEASURES, DATA BREACHES AND THIRD PARTIES

- 14.1 The Company has identified its security risks over the personal information that it processes in line with POPIA and have implemented various security measures to ensure reasonable protection against the risk of loss, misuse, unauthorised access and disclosure, alteration and destruction of the personal information. We also take steps to ensure that operators that process personal information on behalf of the Company apply adequate safeguards.
- 14.2 Where there are reasonable grounds to believe that the personal information of a data subject has been accessed or acquired by any unauthorised person, the Company shall notify the Regulator and the data subject, unless the identity of such data subject cannot be established. The notification will be made as soon as reasonably possible after the discovery of the compromise, considering the legitimate needs of law enforcement or any measures reasonably necessary to determine the scope of the compromise and to restore the integrity of the responsible party's information system.
- 14.3 When the Company receives personal information from a third party on behalf of a data subject, it assumes confirmation that they have written consent from the data subject that they are aware of the contents of this PAIA manual, and do not have any objection to our processing their information in accordance with this manual. Where information on third parties is provided by a data subject, or a third party provides information on a data subject, that information may be considered with other personal information.
- 14.4 The above provisions on data protection must be read together with the Company's internal policies on data protection, including the Website Privacy Notice (<https://www.consilio.com/en-gb/privacy-policy>) and Global Data Protection Privacy Notice for Recruitment and Engagement (https://cdn.prod.website-files.com/66e828df6d32fd6e58bfaeca/67f59d0bd8795991616ceae8_8526b1f738a88eda03ff68c51c340ecb_global-privacy-notice-april-2025.pdf) ("Consilio Policies").
