

Completely fill in the oval to the left of your choice. Vote for only one candidate in each contest. Use a dark blue or black pen.

Unless specifically allowed by law, more than one vote for a contest will be an overvote and no votes for that ballot contest will be counted. To vote for a candidate whose name is not printed on the ballot, write the name on the line provided and fill in the oval.

If you make a correction or mismark your ballot, draw a line through the entire response. You then have the option of making another choice.

In order for your ballot to be counted, it must either be postmarked no later than election day or deposited at a ballot drop box no later than 8:00 p.m. on election day, November 4, 2025.

For a list of the people and organizations that donated to state and local candidates and ballot measure campaigns, visit www.pdc.wa.gov.

If a primary election was held for an office, the two candidates who received the most votes in the primary advanced to the general election. Each candidate for partisan office may state a political party that the candidate prefers. A candidate's preference does not imply that the candidate is nominated or endorsed by the party, or that the party approves of or associates with that candidate.
