

WEDDING PHOTO SHOT LIST

Production, design and the guest experience

DESIGN + PRODUCTION

- ☐ Custom fabrication pieces: full view, details, and in context
- ☐ Custom graphics, branding, signage, and printed pieces
- ☐ Floor graphic: clean shot before guests arrive
- ☐ Floor graphic with guests using the space
- ☐ Floral installations and decor details
- ☐ Tablescapes and place settings
- ☐ Lighting, scenic, and architectural details
- ☐ Any other unique elements we designed or produced

MAIN STAGE

- ☐ Straight-on hero shot of the completed stage
- ☐ Wide view showing stage within the full room
- ☐ Stage from both 45-degree angles
- ☐ Close-ups of scenic and fabrication details
- ☐ Stage with lighting fully active
- ☐ Stage talent and performers
- ☐ Stage with audience in foreground
- ☐ Stage during a key wedding moment

OVERALL EXPERIENCE

- ☐ Wide shots of the entire wedding experience
- ☐ Clean, empty-room wides before guests enter
- ☐ Matching wides once the room is full
- ☐ Elevated wide shot, if accessible
- ☐ Entrance and guest arrival experience
- ☐ Cocktail and reception areas
- ☐ Dance floor and full-room atmosphere
- ☐ Lighting, decor, scenic, and guests in one frame

PEOPLE + ACTIVATION

- ☐ Stage talent, speakers, and toasts
- ☐ Couple in the designed spaces
- ☐ Guests interacting with custom elements
- ☐ Guests enjoying the environment
- ☐ Full dance floor and crowd reactions
- ☐ Natural candid moments that show the energy

TOP PRIORITY

For each major element we designed or produced, capture:

1 clean hero photo / 1 detail photo / 1 photo with guests

Capture the finished room and key design elements before guest arrival.
