1. DWEIC Evidence –question on #12 what was the podcast shared – it was a training on PBL. Incorporating into their learning. Showing how to integrate technology if they chose to. #13: parent letter that went out in November – SEL benchmark.
2. DCIP analysis of results and identification of goals – review survey link results – Stabilize and standardize districtwide system and expectations and create a collaborative learning team were the top choices for both administration and DWEIC. DWEIC suggested moving the top two choices from both DWEIC and administration forward.
3. DCIP writing and approval – via Teams or meeting – we will use Teams to work on this. We need it by May 1st. Posting it on April 22nd. Getting feedback and vote form by the 29th. Will need to go to the BOE.
4. Next Steps Strategic Plan - this year should have been more about community building and outreach. NY Inspires might give us more structure. Engaging with community. We need to focus on pushing the district to start connecting with the community more. Struggle to identify what it is that is preventing us from these connections. Time? Liaison? Cameron has to do the evaluation. Carrie is meeting with him April 21st to set up dates/set up summer work to update this plan.
5. Scorecard for District and Schools – article – Next agenda
6. Other – feedback on the swimming night. Parents appreciated the tabling piece. Tabling was more “kidcentric” but maybe need to focus a bit more on adults? Like dept of labor table – would have been good for connecting parents with jobs. Maybe make an incentive for visiting the tables? Divide table sections by “kidcentric” and “adult agencies”. Continue doing the swim night but add gam
