CENTERVILLE
SEVENTH-DAY ADVENTIST CHURCH

08.23.25

WELCOME

Follow this line of logic and this terribly constructed sentence. If heaven is the dwelling place of God, just as our homes are the dwelling place of our families, AND our families were made in the image of God, and God is love, THEN, when in correct posture one who meets our families should find love and anyone who enters our home would experience heaven. Those two operative words, families are to be love and homes are to be heaven. If this was once possible then the potential remains. For you. For your family. Praise God.

Welcome to Centerville
