CENTERVILLE
SEVENTH-DAY ADVENTIST CHURCH

WELCOME

365,000,000. That’s the number of people. Three hundred and sixty-five million real life people are facing high levels of persecution worldwide, because they are Christian. North Korea, Somalia, Libya, Eritrea, Yemen, Nigeria and a list of other areas in the world are identified by Open Doors International as being places where believing and sharing Jesus makes you a target. Our hearts must be heavy for those who are living for hope. But will this be what ends the spread of Christianity? Nope. In fact, it could be the very opposite. Tertullian believed that the blood of the martyrs is the seed of the church. Watch what happens in the book of Acts.

Welcome to Centerville.
