# WELCOME

Did you know that on this date, December 13, in 1294 Pope Celestine V resigned after only 5 months in office. Or that in 1474 Isabella I crowns herself queen? Or that in 1577 Francis Drake sets sail from England on a three-year circumnavigation of the world? How about that in 1967 San Diego, CA records snow at a zero elevation? These are all of some importance but... maybe pale a bit in time. What is important today is that you know that Jesus, is bringing you the gift of His love today, December 13, 2025.

Welcome to Centerville.
