# WELCOME

As Christians we strive to fully reflect JESUS yet our human limitation merely enable us from our narrow perspectives, these constrains us to show on our own strength a distorted view of GOD. The parable of the blind men and an elephant vividly illustrate this point: "A group of blind men heard that a strange animal, called an elephant, had been brought to the town, but none of them were aware of its shape and form. Out of curiosity, they said: "We must inspect and know it by touch, of which we are capable". So, they sought it out, and when they found it they groped about it. The first person, whose hand landed on the trunk, said, "This being is like a thick snake". For another one whose hand reached its ear, it seemed like a kind of fan. As for another person, whose hand was upon its leg, said, the elephant is a pillar like a tree-trunk. The blind man who placed his hand upon its side said the elephant, "is a wall". Another who felt its tail, described it as a rope. The last felt its tusk, stating the elephant is that which is hard, smooth and like a spear." ([https://en.wikipedia.org/wiki/Blind\\_men\\_and\\_an\\_elephant](https://en.wikipedia.org/wiki/Blind_men_and_an_elephant))

Let us today make a choice to not be like the blind man but rather to open our heart to workings of the Holy Spirit so that we could fully embody all the layers of the fruit of the SPIRIT in our Christian walk. "But the fruit of the Spirit is love, joy, peace, longsuffering, kindness, goodness, faithfulness, gentleness, self-control. Against such there is no law." (Galatians 5:22-23 NKJV)

Welcome to Centerville.
