# WELCOME

Welcome Emily Gibbs: An English teacher and a writer by training, Emily Gibbs spent a dozen years serving in various Michigan classrooms prior to the diagnosis of her brain tumor in 2023—while she was young, healthy, and pregnant. Given the gift of continued life, Emily has spent the past two years of her remission passionately speaking and writing about the Divine hope that has sustained her, motivated her to heal, and given her an identity beyond her cancer, her facial paralysis, and her brokenness. Emily is married to Jacob Gibbs, a chaplain at Andrews University, and together they have two young daughters, Eva and Avianne.

Welcome to Centerville.
