CENTERVILLE SEVENTH-DAY ADVENTIST CHURCH

WELCOME

In the context of the Great Controversy and a celestial business meeting, Job is bragged about by God. Imagine that. God brags about Job? Or you? There is an intimacy and a confidence that can only come from the closest of relationships. And God, facing one who in the hatred and bitterness of his being wants to destroy heaven and all those who represent the values of glory, God declares that He has absolute confidence in His relationship with His friend Job. Here is the invitation God has for you.

Welcome to Centerville.
