CENTERVILLE
SEVENTH-DAY ADVENTIST CHURCH

WELCOME

This week or next some 1,430,000,000 students in primary and secondary grades are entering classrooms. Of those, 54,400,000 are in the United States. In Ohio, our piece of the 54K is 1,800,000. And then just down the road of that nearly 2 million Ohio students, 585 of them entered into our Spring Valley Academy. For each parent and teacher, these students are not statistics. Not a part of a 1.43B number. They are themselves. Just 1. And there is One more that sees them as just 1. The favorite title of Jesus recorded in the Bible was teacher. He walks the hallways and sits in the classrooms and He loves the 1,430,000,000 just for who they are, just 1. So today we dedicate you teachers to the work of the Master, who has given you a calling to do with unwavering faithfulness. We bless you.

Welcome to Centerville.
