CENTERVILLE
SEVENTH-DAY ADVENTIST CHURCH

WELCOME

On this day, August 22, back in 1775 King George III (of Great Britain and Ireland) proclaimed the American colonies to be in open rebellion and orders his officials to suppress them. Rebellion, here is a bit of etymology. Rebellion combines the latin *re* (against or again) and *vellum* (war). Rebellion means a return to war. In ancient Rome, it described a conquered group taking up arms to fight back. In the 1300's it came to mean resistance against God, church, or king. This week through the life of a woman and the idea of grow groups you will be invited to start fighting again. Rebellion. Not against God but for God in the full latin meaning.

Welcome to Centerville.
