CENTERVILLE
SEVENTH-DAY ADVENTIST CHURCH

WELCOME

John 9 tells the story of a man who had been blind from birth and whose encounter with Jesus changed far more than his ability to see. As his story unfolds, questions of suffering, faith, religion, rejection, and spiritual vision begin to emerge. But this story asks an even more personal question: **What happens when Jesus opens our eyes to something we could not see before?** Today, we will follow this man’s encounter with the Messiah and discover why sometimes the greatest miracle is not simply learning to see—but learning **whom to see**.

Welcome to Centerville.
