Board Report For the Year Ended 30 June 2024

The Board members present their report on Domestic Violence Crisis Service Inc for the financial year ended 30 June 2024.

General information

Board members

The names of the Board members in office at any time during, or since the end of, the year are:

Names	Position	Appointed/Resigned
Kylie Burnett	Chair	Appointed 31/10/2023
Kate Glynn	Treasurer	Appointed 31/10/2023
Adam Gill	Member	Appointed 10/08/2023
Manasi Ahuja	Member	Appointed 31/10/2023
Julie Very	Secretary	Appointed 31/10/2023
Karen Moore	Member	Appointed 31/10/2023
Amanda Benn	Deputy chair	Appointed 31/10/2023
Stephanie Sehan	Member	Appointed 20/10/2020
Elizabeth Pallas	Member	Appointed 31/10/2023, Resigned Novemeber 2023
Sian Jowitt	Chair	Appointed 24/10/2017, Resigned 31/10/2023
Tracey Newburry	Member	Appointed 1/10/2016, Resigned 31/10/2023
Satara Uthayakumaran	Secretary	Appointed 26/10/2021, Resigned 31/10/2023
Roxanne Kelley	Member	Appointed 26/10/2021, Resigned 31/10/2023

Board members have been in office since the start of the financial year to the date of this report unless otherwise stated.

Principal activities

The principal activities of the Association during the financial year included cooperation with other relevant agencies to work towards the elimination of violence in interpersonal relationships and to provide a dedicated service.

Significant changes

No significant change in the nature of these activities occurred during the year.

Operating result

The (deficit) of the Association for the financial year amounted to \$ (655,097)(2023: \$ (530,476)).

Domestic Violence Crisis Service Inc

ABN:54 658 714 235

Notes to the Financial Statements For the Year Ended 30 June 2024

The financial report covers Domestic Violence Crisis Service Inc as an individual entity. Domestic Violence Crisis Service Inc is a not-for-profit Association, registered and domiciled in Australia.

The functional and presentation currency of Domestic Violence Crisis Service Inc is Australian dollars.

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards - Simplified Disclosures and the *Australian Charities and Not-for-profits Commission Act 2012*.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Material accounting policy information relating to the preparation of these financial statements are presented below, and are consistent with prior reporting periods unless otherwise stated.

2 Material Accounting Policy Information

(a) Income tax

The Association is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

(b) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

(c) Revenue and other income

Revenue from contracts with customers

Revenue is recognised on a basis that reflects the transfer of control of promised goods or services to customers at an amount that reflects the consideration the Association expects to receive in exchange for those goods or services.

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Association have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

Notes to the Financial Statements

For the Year Ended 30 June 2024

2 Material Accounting Policy Information

(c) Revenue and other income

Specific revenue streams

The revenue recognition policies for the principal revenue streams of the Association are:

Operating grants and donations

When the Association receives operating grant revenue and donations, it assesses whether the contract is enforceable and has sufficiently specific performance obligations in accordance to AASB 15,

When both these conditions are satisfied, the Association:

- identifies each performance obligation relating to the grant;
- recognises a contract liability for its obligations under the agreement; and
- recognises revenue as it satisfies its performance obligations.

Where the contract is not enforceable or does not have sufficiently specific performance obligations, the Association:

- recognises the asset received in accordance with the recognition requirements of other applicable accounting standards (eg AASB 9, AASB 16, AASB 116 and AASB 138)
- recognises related amounts (being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer); and
- recognises income immediately in profit or loss as the difference between the initial carrying amount of the asset and the related amount.

If a contract liability is recognised as a related amount above, the Association recognises income in profit or loss when or as it satisfies its obligations under the contract.

Other income

Other income is recognised on an accruals basis when the Association is entitled to it.

(d) Plant and equipment

Each class of plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment.

Depreciation

Plant and equipment is depreciated on a straight-line basis over the asset's useful life to the Association, commencing when the asset is ready for use.

Notes to the Financial Statements
For the Year Ended 30 June 2024

2 Material Accounting Policy Information

(d) Plant and equipment

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Plant and Equipment	10% - 30%
Motor Vehicles	20%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

(e) Financial instruments

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification

On initial recognition, the Association classifies its financial assets into the following categories, those measured at:

- amortised cost
- fair value through profit or loss - FVTPL
- fair value through other comprehensive income - equity instrument (FVOCI - equity)

Amortised cost

The Association's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Fair value through other comprehensive income - Equity instruments

The Association does not have any investments in listed and unlisted entities.

Financial assets through profit or loss

All financial assets not classified as measured at amortised cost or fair value through other comprehensive income as described above are measured at FVTPL.

The Association does not hold any assets that falls into this category.

Notes to the Financial Statements

For the Year Ended 30 June 2024

2 Material Accounting Policy Information

(e) Financial instruments

Financial assets

Trade receivables

Impairment of trade receivables have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Association renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

Financial liabilities

The financial liabilities of the Association comprise trade payables.

(f) Impairment of non-financial assets

At the end of each reporting period the Association determines whether there is evidence of an impairment indicator for non-financial assets.

Where an indicator exists and regardless for indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated.

(g) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and subject to an insignificant risk of change in value.

(h) Leases

Right-of-use asset

At the lease commencement, the Association recognises a right-of-use asset and associated lease liability for the lease term. The lease term includes extension periods where the Association believes it is reasonably certain that the option will be exercised.

The right-of-use asset is measured using the cost model, depreciated over the lease term on a straight-line basis and assessed for impairment in accordance with the impairment of assets accounting policy.

Lease liability

The lease liability is initially measured at the present value of the remaining lease payments at the commencement of the lease. The discount rate is the rate implicit in the lease, however where this cannot be readily determined then the Association's incremental borrowing rate is used.

Notes to the Financial Statements

For the Year Ended 30 June 2024

2 Material Accounting Policy Information

(h) Leases

Lease liability

Subsequent to initial recognition, the lease liability is measured at amortised cost using the effective interest rate method. The lease liability is remeasured whether there is a lease modification, change in estimate of the lease term or index upon which the lease payments are based (e.g. CPI) or a change in the Association's assessment of lease term.

Where the lease liability is remeasured, the right-of-use asset is adjusted to reflect the remeasurement or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

(i) Employee benefits

Provision is made for the Association's liability for employee benefits, those benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Changes in the measurement of the liability are recognised in profit or loss.

(j) Economic dependence

Domestic Violence Crisis Service Inc is dependent on the ACT Government for the majority of its revenue used to operate the business. At the date of this report the board members have no reason to believe the ACT Government will not continue to support Domestic Violence Crisis Service Inc.

3 Critical Accounting Estimates and Judgments

Those charged with governance make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Key estimates - impairment of plant and equipment

The Association assesses impairment at the end of each reporting period by evaluating conditions specific to the Association that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions. As described in Note 2(d), the Association reviews the estimated useful lives of plant and equipment at the end of each annual reporting year.

Notes to the Financial Statements

For the Year Ended 30 June 2024

3 Critical Accounting Estimates and Judgments

Key estimates - grant income

For many of the grant agreements received, the determination of whether the contract includes sufficiently specific performance obligations was a significant judgement involving discussions with a number of parties at the Association, review of the proposal documents prepared during the grant application phase and consideration of the terms and conditions.

Grants received by the Association have been accounted for under both AASB 15 and AASB 1058 depending on the terms and conditions and decisions made.

If this determination was changed then the revenue recognition pattern would be different from that recognised in these financial statements.

Key estimates - receivables

The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment provision is included for any receivable where the entire balance is not considered collectible. The impairment provision is based on the best information at the reporting date.

Key estimates - provisions

As described in the accounting policies, provisions are measured at management's best estimate of the expenditure required to settle the obligation at the end of the reporting period. These estimates are made taking into account a range of possible outcomes and will vary as further information is obtained.

Independent Audit Report to the members of Domestic Violence Crisis Service Inc

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Domestic Violence Crisis Service Inc, which comprises the statement of financial position as at 30 June 2024, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information, and the responsible persons' declaration.

In our opinion the financial report of Domestic Violence Crisis Service Inc has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (i) giving a true and fair view of the Association's financial position as at 30 June 2024 and of its financial performance for the year ended; and
- (ii) complying with Australian Accounting Standards - Simplified Disclosures and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2012*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* (ACNC Act) and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Board Members are responsible for the other information. The other information obtained at the date of this auditor's report is included in Domestic Violence Crisis Services Inc's annual report for the year ended 30 June 2024, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Domestic Violence Crisis Service Inc

Independent Audit Report to the members of Domestic Violence Crisis Service Inc

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Board Members for the Financial Report

The Board Members of the Association are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards - Simplified Disclosures and the ACNC Act, and for such internal control as the responsible entities determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the responsible persons are responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the responsible entities either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.
