

Managed Teams

Free up your time to focus on bigger projects and your team's development.

Enhance your team's capacity with LOD Managed Teams

Our managed teams act as a natural extension to your existing team. Made up of experience in-house lawyers and paralegals with a custom blend of roles, expertise and seniority to match your needs. Our teams empower you to devote more attention to larger initiatives and your team's growth, while they efficiently manage the day-to-day operations. With an LOD Managed Team at your service, you can focus on strategic projects, knowing the routine tasks are in expert hands.

We organize managed teams to help with:

Litigation Support: Document review, evidence gathering, and trial preparation for complex legal disputes.

Regulatory Compliance: Help navigate industry regulations, ensuring compliance and mitigating risks.

Corporate Transactions: Mergers, acquisitions, due diligence, contract negotiation, and post-merger integration.

Commercial Contracts: Drafting, reviewing, and negotiating robust, enforceable contracts aligned with your business objectives.

And more!

What you'll get:

-  Budget certainty without compromising on quality.
-  Around the clock global cover.
-  New skills and experience levels without the extra headcount.
-  In-house experts with different language capabilities.

A snapshot of how our teams assist clients on a global scale

Client *feedback*

Our average feedback score across the teams was **4.9 out of 5**

Client testimonials about LOD Managed Teams and members:

"Just wanted to give a shoutout that today's QBR was really impressive. Your team hit it out of the park. The vendorization piece was what we were looking for and you delivered. Look forward to working together more on that and how to evolve to a more managed service based model for our services in the future."

"Consistently exceeded expectations in her role as a lawyer. She is highly knowledgeable and experienced in a variety of legal areas, and she is able to quickly and effectively assess complex legal issues."
