Expert, defensible review solutions that increase quality, efficiency, and cost savings

Contract attorney staffing for litigation and foreign language review

We provide top-tier temporary attorneys and legal professionals to support litigation and foreign language document review, including translations. With our unmatched service, you'll find the right expertise and flexible solutions to meet your needs.

Document Review You Can Trust

Rely on our high-caliber contract attorneys and paralegals to deliver accurate, efficient, and defensible results. Whether you need 1st- or 2nd-level review, QC, privilege assessments, or deposition and witness preparation, we provide trusted support for even the most high-risk document review matters.

Global Reach, Multilingual Expertise

Unlock opportunities worldwide with attorneys fluent in over 20 languages—ready to translate, analyze, and uncover the critical insights that move your case forward.

End-to-End Managed Review

Need greater oversight? Our Managed Review solution offers a complete service—including review management, experienced reviewers, quality control, and robust reporting—so you can streamline processes while maintaining confidence in the outcome.

Security You Can Rely On

Every review project—onsite or remote—is authenticated within our Secure Virtual Review (SVR) environment. Built with its own isolated network, SVR enforces rigorous identity checks and restricts printing, web, and email functions to prevent unauthorized access. With SVR, your sensitive information stays protected at every stage.

17,000+ high caliber contract attorneys and foreign language reviewers

20+ languages available including Japanese, Mandarin, Spanish, Portuguese, French, German, and many more
